MESSAGE FROM THE CHIEF

Located in the city of Oakland, Northeastern University's Oakland campus, is part of the diverse tapestry that makes this city an extraordinary place to live, learn, and grow. As a major urban university, our institution embraces a vibrant community that actively plays an essential role in influencing the Northeastern experience. An evolving network of involvement and inquiry has grown this community into a thriving society for students, faculty, staff, and our visitors.

The Northeastern University Police Department and the Department of Public Safety at the Oakland Campus are comprised of an exceptional group of professionals who are relentlessly dedicated to helping establish a safe and secure campus experience. We can only accomplish this with the collective effort of the entire Northeastern community. Not only are we all connected to Northeastern University, but we are each a part of the greater Oakland community. Our institution is built on a tradition of engagement with the world and in order to achieve a truly safe campus environment, the cooperation of all students, faculty, and staff is essential. Each of us must assume personal responsibility and take precautions as the potential for crime will always exist.

I encourage you to peruse our annual report to both discover our services and view opportunities in which you may contribute to our mission, your personal safety, and the community.

Michael A. Davis
Vice President for Campus Safety and Policing
Northeastern University

NOTICE OF NON-DISCRIMINATION

Northeastern University (the "University") is committed to providing equal opportunity to its students and employees, and to eliminating discrimination when it occurs. In furtherance of this commitment, the University strictly prohibits discrimination or harassment on the basis of race, color, religion, religious creed, genetic information, sex, gender identity, gender expression, sexual orientation, age, national origin, ancestry, including shared ancestry, ethnicity, citizenship or country of residence, veteran or military status, or disability status.

MILLS COLLEGE AT NORTHEASTERN UNIVERSITY

On June 30, 2022, the University merged with Mills College to create a bicoastal university powered by the University's experiential learning and research, strengthened by Mills College's historic leadership in women's education and social justice. Northeastern University Oakland (the "Oakland Campus") is located at 5000 MacArthur Blvd., Oakland, CA 94613.

PREPARATION OF ANNUAL SECURITY REPORT

THE CLERY ACT

The federal *Jeanne Clery Campus Safety Act* (more commonly referred to as the "Clery Act") requires all postsecondary educational institutions participating in federal Title IV student financial assistance programs to comply with the Clery Act and to institutionalize its mandates. Among the various requirements, colleges and universities are required to prepare, publish, and distribute an Annual Security Report ("ASR") concerning campus crime statistics, statements of safety and security policies and procedures, and a fire safety report on an annual basis.

CAMPUS SECURITY AUTHORITIES

Federal law requires the University to disclose statistics concerning the occurrence of certain crimes enumerated in the Clery Act that occur within the University's Clery geography and that are reported to certain University employees.¹ Under the Clery Act, individuals that are required to report crimes include any member of the Northeastern University Police Department ("NUPD"), including the Department of Public Safety (DPS) at the Oakland Campus; any individual who has responsibility for campus security, but who is not a member of NUPD (e.g., contract security officers); any University official who has significant responsibility for student and campus activities; and any individual identified by the University as someone to whom a crime should be reported. The University has designated employees that fall into these categories at Northeastern University as Campus Security Authorities ("CSAs").

CSAs are required to report all crimes and allegations of Prohibited Offenses.² For Clery Act purposes, CSAs are required to report to NUPD or Oakland Public Safety the existence of all known incidents, including confidential incidents, so that those incidents can be recorded as statistics and, where appropriate, disclosed in the Oakland Campus' ASR.

You can also report non-emergency incidents by using the OPD non-emergency on-line crime reporting services at <https://www.oaklandca.gov/services/report-a-crime-online>.

The University urges all community members to report any criminal incident to NUPD, Oakland Public Safety or law enforcement for the geographical jurisdiction in which an incident occurs, particularly where a victim is unable to do so themselves.

DATA COLLECTION AND POLICY REVIEW

NUPD is charged with the responsibility of collecting the information and data for the preparation of this ASR and publishing it by the October 1 deadline each year. That process requires immediate, ongoing, and annual efforts involving outside law enforcement agencies as well as departments University-wide.

Preparation of the ASR includes gathering crime statistics from reports of crimes disclosed to and reported by those identified as CSAs according to University policy, as well as local law enforcement agencies, and reconciling those statistics with NUPD's own statistics in order to avoid duplicate reporting. In addition, preparation of the ASR requires review of the University's policies and procedures concerning campus safety and disclosure of those policies and procedures in this report.

The ASR statistics are compiled using the following sources: NUPD case reports, DPS case reports, Oakland Police Department and/or other police agencies' case reports concerning Clery reportable crimes that occurred on campus, in public areas immediately adjacent to or running through campus, and in non-campus facilities. These reports are cross-referenced to ensure statistics are not duplicated.

¹ See Page 65 of the ASR for definitions of Clery Act crimes and geographical locations.

² CSAs are also Mandatory University Reporters under the University's Policy on Sexual and Gender-Based Harassment and Title IX ("Title IX Policy") and are required to report Prohibited Offenses, in accordance with that policy, to include sexual assault, sexual harassment, domestic violence, intimate partner violence, dating violence, stalking and retaliation involving a student or students.

PUBLICATION AND NOTICE OF AVAILABILITY

The University publishes its ASR on NUPD's website under Annual Security & Fire Safety Reports at <https://nupd.northeastern.edu/annual-reports/>. Each year, an email notification advising of the report's availability, and containing a direct link to a PDF version of the report, is sent to all enrolled students, faculty, and staff. Hard copies are available upon request. Prospective employees and new hires may obtain a copy of the report through Human Resources ("HR") or on the NUPD [website](#).

NORTHEASTERN UNIVERSITY POLICE DEPARTMENT (NUPD)

OVERVIEW

Full-time Community Service Officers and full-time civilian Dispatchers supplement the full-time professional police officers, bringing the total number of police and civilian staff to approximately ninety individuals. The department's 24-hour communications center coordinates and supports the activities of field personnel and facilitates communication regarding department activities among the community in Boston, as well as Northeastern Universities' global network.

AUTHORITY AND JURISDICTION

NUPD is accredited by the Commission of Accreditation for Law Enforcement Agencies (CALEA) and is recognized by the Commonwealth of Massachusetts as a criminal justice agency. All sworn NU police officers are "special state police officers" pursuant to Massachusetts General Laws Chapter 22C, §63. Under this statute, officers have the same powers to make arrests "in and upon lands or structures, owned, used or occupied by such college as regular police officers." Given the University's urban environment, NUPD officers are also appointed as Suffolk County deputy sheriffs to allow them to provide service while on the public streets and other areas of the city contiguous to the campus, when necessary, to maintain the safety and security of the University's property and community.

PROFESSIONAL TRAINING

All newly appointed NUPD Officers are graduates of a police academy conducted or sanctioned by the Massachusetts State Police or Massachusetts Police Training Committee, and they must pass an extensive screening process and background check before they are hired. Recruit training academies consist of several months of full-time, in-depth training in all aspects of police operations and are followed by several weeks of field training under the close supervision of a NUPD Police Training Officer. Annual in-service refresher training is provided to all officers, and officers are also frequently assigned to attend in-depth training in a wide variety of specialized topics such as crime prevention theory and the investigation of sexual assaults and bias-motivated crime, as well as other subject which enhance the department's ability to provide comprehensive public safety services.

The Command and Supervisory staff of NUPD lead by example and actively participate in professional associations which foster increased proficiency in their areas of responsibility. Members of the staff maintain active membership as well as leadership positions in the International Association of Campus Law Enforcement Administrators, the Massachusetts Association of Campus Law Enforcement Administrators, the Massachusetts Chief of Police Association, the Massachusetts Police Training Officers Association, International Association of Chiefs of Police, Police Executive Research forum,

Squashbusters, Massachusetts Associations Women in Law Enforcement, and the Association of Threat Assessment Professionals.

INTERAGENCY RELATIONSHIPS

The NUPD maintain a close working relationship with the Oakland Police Department (OPD), with state and federal law enforcement agencies, and with various other elements of the criminal justice system in an effort to enhance the quality of NUPD's law enforcement services to the University community. This collaboration includes sharing of intelligence and statistical data related to criminal activity impacting the University community, reciprocal cooperation and assistance with alleged criminal activity affecting the University community and exchanging relevant reports and statistics. NUPD collaborates with local law enforcement agencies that respond to or investigate alleged criminal activity concerning students, including when such activity occurs at off campus locations. The University does not have any officially recognized student organizations with non-campus locations. NUPD and OPD have agreed to share crime statistics and information pursuant to investigations.

NUPD CRIME, FIRE, AND ARREST LOG

In accordance with the Clery Act, NUPD publishes a daily crime, fire and arrest log, referred to as the Public Police Log.

Content of the Public Police Log

The Public Police Log contains the following information:

- Crimes reported to NUPD.
- NUPD responses to valid calls for services within NUPD jurisdictions, excluding calls for service related to medical or well-being checks, alarms, escorts, and maintenance.
- Fires within residential halls facilities.
- The name, address, and charges against any arrested individual as well as whether the individual was arrested (physical in-custody arrest) or summonsed to court. All individuals arrested or summonsed to court are presumed innocent until proven guilty in a court of law.

The Public Police Log includes the nature, date, time and general location of reported crimes, as well as the disposition of the complaint. Information is added to the Public Police Log except if the disclosure is prohibited by law or would jeopardize the confidentiality of a victim.

Information may be temporarily withheld from the Public Police Log if NUPD determine the release of the information could jeopardize an ongoing criminal investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in destruction of evidence. Once the information is no longer likely to prove harmful, it will be added to the log.

Availability

The Public Police Log for the most recent 60-day period is available to the public. Portions of the log that are older than 60 days are available upon request to view in person.

The Public Police Log is available electronically using the following link – [NUPD Public Police Log](#).

For questions regarding the Public Log, please contact: Lt. Det. Wendy Lynch at w.lynch@northeastern.edu.

NORTHEASTERN UNIVERSITY – DEPARTMENT OF PUBLIC SAFETY (DPS) AT THE OAKLAND CAMPUS

OVERVIEW

DPS works hand in hand with NUPD to ensure the highest level of safety services are provided to the Oakland Campus. Full-time civilian Dispatchers supplement the full-time Public Safety Officers, administrative staff, and contracted security personnel.

AUTHORITY AND JURISDICTION

DPS officers are trained public safety personnel but are not sworn police officers. DPS public safety officers are full-time employees of Northeastern University who are charged with fostering a safe and secure environment on the Oakland Campus.

PROFESSIONAL TRAINING

All DPS Public Safety Officers are required to retain an active security guard license in the state of CA. Oakland Public Safety Officers undergo a thorough screening process and background check before they are hired, and undergo various professional training sessions.

INTERAGENCY RELATIONSHIPS

DPS maintains a close working relationship with the Oakland Police Department, with state and federal law enforcement agencies, and with various other elements of the criminal justice system in an effort to enhance the quality of Oakland Public Safety's public safety services to the University community. This collaboration includes sharing of intelligence and statistical data related to criminal activity impacting the University community, reciprocal cooperation of intelligence and assistance with alleged criminal activity affecting the University community and exchanging relevant reports and statistics. The University does not have any officially recognized student organizations with non-campus locations.

DAILY CRIME LOG AND FIRE LOG

In accordance with the Clery Act, DPS maintains a daily crime log that records, by date of report, all crimes and serious incidents reported to DPS that occurred on the Oakland Campus's Clery geography.

The Daily Crime Log includes the nature, date, time, and general location of reported crimes and incidents, as well as the disposition of the complaint. Information is added to the Daily Crime Log, except if the disclosure is prohibited by law or would jeopardize the confidentiality of a victim.

Information may be temporarily withheld from the Daily Crime Log if DPS determines the release of the information could jeopardize an ongoing criminal investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in destruction of evidence. Once the information is no longer likely to prove harmful, it will be added to the log.

DPS also maintains a Fire Log that records, by date of report, any fires within residential halls facilities on the Oakland Campus.

AVAILABILITY

The Oakland Daily Crime Log and Fire Log for the most recent 60-day period is available to the public for review, in-person, at the Oakland Public Safety Administrative Office at CPM 113, during normal business hours from 8:30am-4:30pm pacific standard time, Monday through Friday. Portions of the log that are older than 60 days are available upon request.

For questions regarding the Oakland Daily Crime Log or Fire Log, please contact: Lieutenant Rio DelMoral at r.delmoral@northeastern.edu.

REPORTING CRIMES AND EMERGENCIES

“IF YOU SEE SOMETHING, SAY SOMETHING”

The University encourages accurate and prompt reporting of all crimes and public safety-related incidents to the NUPD, DPS, or other appropriate police agencies. Remember, reporting crimes helps in preventing them from happening again. When police arrive at the scene of a crime-in-progress within the first two minutes of receiving a call, the chances of apprehending a suspect are greatly increased. The odds of making an arrest decrease quickly as time passes. The Department uses the information provided by reporters of crimes to coordinate delivery of immediate responses and to track crime and related trends to develop specific ways to combat crime.

CONFIDENTIAL AND ANONYMOUS REPORTING

Confidential and anonymous reports will be accepted and included in the ASR for statistical purposes, but confidential and anonymous reports may significantly limit the ability of police to fully investigate and address the alleged crime.

If a victim of a crime or a Complainant³ does not consent to the disclosure of their identity to NUPD, Oakland Public Safety, or law enforcement, the individual making the report must inform such agency of the reporting party's wish for confidentiality and report the incident for statistical purposes. The University will take reasonable steps to investigate and respond to a report of a crime or prohibited offense consistent with the request for anonymity, but the University may not be able to honor requests for anonymity in all cases.

³ The University uses the term Complainant to mean an individual who reports an alleged Prohibited Offense under the Title IX Policy.

If a Complainant requests to remain anonymous during a Title IX investigation,⁴ the Title IX Coordinator will consider the request, balancing the request in the context of the University's responsibility to provide a safe and non-discriminatory environment for the University community, as well as the fair and equitable treatment of the individuals involved. The University will take reasonable steps to honor the request for anonymity but may not be able to do so in all cases. In such cases, the Title IX Coordinator will notify the Complainant that the University intends to proceed with an investigation, and the possibility that during the investigation, the Complainant's identity may have to be disclosed to individuals who may have relevant information regarding the allegation.

POST-INCIDENT FOLLOW-UP

NUPD and/or Oakland Public Safety may investigate a matter and provide related support, and/or refer it to the University for administrative review. NUPD and/or Oakland Public Safety will assist a Complainant in securing appropriate local law enforcement resources at the individual's request. A Complainant may decline to report a matter to local law enforcement.

STATISTICAL DISCLOSURES AND CONFIDENTIAL RESOURCES

The University offers confidential resources for medical treatment, emotional support, and counseling through Confidential Employees. Confidential Employees⁵ are designated by Northeastern and will not report incidents of sexual violence to OUEC without explicit consent of the student. Confidential Resources on the Oakland campus include Counseling and Psychological Services (CAPS), Student Health Center, Office of Spiritual and Religious Life (SRL), spiritual advisors at the Center for Spirituality, Dialogue and Service (CSDS), and the Office of Prevention and Education at Northeastern (OPEN) including the Sexual Violence Resource Center (SVRC). Students at the Oakland Campus have access to CSDS, OPEN, and SVRC remotely.

⁴ Title IX is a federal law that prohibits discrimination based on sex in educational programs or activities that receive federal funding. The University's Title IX Policy defines Prohibited Offenses, which includes sexual assault, sexual harassment, gender-based harassment, sexual exploitation, domestic violence, intimate partner violence, dating violence, stalking and retaliation.

⁵ Confidential employees are University employees to whom a privilege or confidentiality applies under applicable laws, as well as certain positions that have been designated by the university as confidential. Confidential employees are not required to disclose information about crimes or Prohibited Offenses without the consent of the reporting party.

<https://open.studentlife.northeastern.edu>

open@northeastern.edu

617.373.4459

The University encourages Confidential Employees to verbally inform any persons they are counseling, if and when they deem appropriate, of the procedures to report crimes on a confidential basis for inclusion in the annual disclosure of crime statistics.

Anyone on campus in need of emergency police, fire, or medical services should call 9-1-1 and then 510.430.3333 to be connected with Oakland Public Safety's emergency line. If an individual requires emergency assistance at an off-campus location, they should call 9-1-1 to connect with the police agency that has jurisdiction over the caller's immediate location.

CAMPUS BLUE PHONES

Campus assistance telephones identified by a blue light (typically known as "blue phones") are located throughout the campus, are connected to the Department's 24-hour Oakland Public Safety Center, and, if activated, identify the location of the phone used to place a call should the caller be unable to talk. The phones can be used to report crimes, emergencies, or suspicious activity; to request emergency medical or fire assistance; or to request a safety escort.

SAFETY FIRST

If you witness a crime or other emergency on campus, immediately go to a safe place and call 9-1-1 and then DPS. If the incident occurs off campus, call 9-1-1. If the matter concerns a crime, stay on the line, and tell the dispatcher everything you can remember about the suspect (e.g., his/her clothing and appearance, vehicle, direction of travel, and anything else that may be helpful to the department in its effort to apprehend the suspect).

SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS

The best strategy for addressing crime on campus is to prevent it from happening in the first place. The University provides a number of services designed to aid in the prevention of crime through NUPD or DPS, as well as through services provided by the onsite security company Barbier Security Group and OPD. Additionally, NUPD and DPS offer active safety tools for community members and community policing engagements facilitated by the Department's Community Engagement Unit ("CEU"). The following is a list of such services and engagements that serve as a foundation for additional programming and services that may be offered throughout the year.

For prevention and education programs offered by other University offices, please see page 53.

SAFETY ESCORT SERVICES

Personal Safety Escort: Oakland DPS provides courtesy safety escorts for members of the University community to and from any on-campus location. The service operates 24 hours per day, 7 days a week, throughout the year and is available upon request by calling Oakland DPS at 510.430.5555.

Off-Campus Safety Escort: The off-campus shuttle runs daily on a fixed loop route and is operated by a professional driving vendor (WeDriveU). The pick-up and drop-off location is located at the T intersection on the Oakland Campus. There are multiple stops along the route where passengers may access various amenities. Riders with valid Northeastern identification cards are welcome to utilize the shuttle.

The shuttle route and stops are updated on a regular basis. For the most up to date schedule and route, please download the Tripshot app and sign up using your Northeastern email address.

For more information, visit [Oakland - Parking and Transportation - Northeastern University's Police Department](#)

EMERGENCY TELEPHONES

Well-marked emergency “blue light phones” are located throughout the interior areas of the University to provide the community an immediate means of contacting DPS dispatch during an emergency.

PARKING FACILITY SECURITY

Parking facilities are regularly patrolled by Oakland Public Safety officers.

SAFEZONE

NUPD and DPS utilize the SafeZone app, a cloud-based mobile application that allows users to quickly call local authorities allowing resources to respond to emergency situations. For more information, visit <https://nupd.northeastern.edu/safezone/>.

SECURITY AND FIRE ALARM SYSTEMS

Intrusion, duress, & fire alarms are monitored by a third-party vendor that in turn notifies Oakland DPS for response and assessment.

ARCHITECTURAL DESIGN

Technical and crime prevention specialists work closely with design engineers regarding physical security systems and fire safety equipment when new construction or major renovations are planned on campus. The NUPD and DPS subscribe to the proven concepts and principles of Crime Prevention Through Environmental Design (CPTED).

SECURITY SURVEYS

NUPD and DPS provide comprehensive physical and operational security recommendations and guidance for the Oakland Campus. This guidance provides members of the University community with an in-depth understanding of security procedures and practices, as well as ways to look out for themselves and others within their environment.

FACILITIES SURVEYS

The Department conducts ongoing facilities surveys designed to identify deficiencies in exterior lighting, locking hardware, and premises so those deficiencies can be addressed in the ordinary course.

NEW STUDENT ORIENTATION

DPS presents crime awareness and prevention information to new students. DPS presents to students, staff event tables, and provides written information discussing tips and strategies for enhancing personal safety.

RESIDENCE HALL SECURITY

DPS works closely with the Residential Life Office in Oakland and the Residential Safety Office to promote safety in the residence halls through training and education of staff, residents, and proctors.

AIM TO PREPARE

Aim to Prepare is a training series that is offered by NUPD to staff, faculty, and students that covers security awareness training, that can be provided virtually to the Oakland Campus. The trainings in this series include: Security Awareness Training (SAT 101), Active Threat Preparation, Recognition of Suspicious Activities, De-escalation, Narcan training, and Scam Awareness.

CEU will present information on how best to be prepared, and what actions one can take when faced with various types of situations that can and do arise when we are at work, home, or at play. Many practical safety tips will be relayed to help individuals plan and prepare for their safety/security and that of the ones they love and care for. Included in the discussion will be planning for serious situations and emergencies, recognizing suspicious activity and what to do with that information, de-escalation techniques, and the latest in safety/security communication features.

CRIME PREVENTION MATERIALS

Safety resources related to off campus safety, on campus services, and emergency services are available at Oakland DPS Headquarters. Crime prevention materials can also be found on the Department's website <https://nupd.northeastern.edu/oakland/campus-safety/>.

ACCESS TO CAMPUS FACILITIES

Overview

Most campus buildings and facilities, other than student residence halls, are accessible to members of the campus community, their guests, and visitors with a legitimate business purpose, during normal hours of business, and during designated hours on weekends and holidays, depending on the wide variety of events and activities taking place outside the normal business hours.

Residence Halls

Residence halls are equipped with intrusion alarms on exterior doors as well as alarms to detect doors which have been propped open. These alarms are monitored by a third-party vendor that notifies DPS. Proctors monitor access at most residence halls and access is permitted to residents upon presentation of a valid student ID card. Residence in the hall is verified by an electronic access control system. Guests and visitors must present a photo ID to the proctor and be signed in by their host.

MAINTENANCE AND SECURITY OF CAMPUS GROUNDS AND FACILITIES

The University is committed to maintaining safety and security on campus. Exterior lighting is an important part of this commitment. High priority is given to maintenance of exterior lights. Members of the campus community are encouraged to report any exterior lighting outages to the NUPD, DPS and/or Facilities Department. Exterior lighting is assessed for improvements.

The exterior doors to campus offices and academic buildings are locked following the last class or end of the business day each evening. Door and locking hardware deficiencies should be reported to the Facilities Department immediately upon discovery by DPS staff. Shrubbery and trees on campus are trimmed on a regular basis.

Campus streets, parking areas, grounds and buildings are patrolled 24 hours a day, every day of the year by DPS. Patrols of residence halls include the perimeter as well as lobbies, cafeterias, and basements. Contract security officers supplement the Department's officers, providing a visible deterrent to crime and serving as additional "eyes and ears" for Oakland Public Safety.

TIMELY WARNINGS AND EMERGENCY NOTIFICATIONS

CLERY ACT REQUIREMENTS

The Clery Act requires the University to issue an “emergency notification” to the campus community upon confirmation of a significant emergency or dangerous situation occurring on campus and involving an immediate threat to the health or safety of the campus community. Examples of situations that may require an emergency notification are a severe weather hazard, serious communicable health threat, crimes that pose an immediate threat to personal safety, or other chemical or hazardous situations.

The Clery Act also requires the University to issue a “timely warning” to the campus community regarding any reported Clery Act crime that occurs within the school’s Clery geography and is deemed to represent a serious or continuing threat to the University community.

NU ALERT SYSTEM

The University employs the NU Alert system to communicate emergency notifications and timely warnings to the affected University campus. A test of the NU Alert system is conducted on an annual basis to ensure proper functionality. Messages sent from the NU Alert system are sent to University email accounts and to enrolled mobile phone numbers via text message. NU Alert messages will be sent to all community members with contact information associated with the affected campus. The NU Alert system is updated daily through centralized University databases. Members of the community are reminded to update their University contact information at the beginning of each semester, or at any time, by visiting the Student Hub for students, and Workday for employees.

The Office of Emergency Management (“OEM”) plans, publicizes, and conducts a test of the NU Alert emergency response and notification system bi-annually, and maintains a record documenting each test, including a description of the test, date and time of the test, and whether it was announced or unannounced.

METHODS OF NU COMMUNITY NOTIFICATION

In situations where the University needs to reach the entire campus community, targeted groups, or share additional information, one of the following methods of notification is used:

Emergency Notifications and *Timely Warnings* seek to accomplish the same objective (i.e., timely notice to the community regarding ongoing dangers), but are distinguishable in terms of what circumstances trigger an emergency notification obligation versus a timely warning obligation. Both types of messages contain a brief description of the type of emergency along with instructions for self-protection. Both are discussed in more detail below.

NUPD Advisories are a method of communication that may be used to facilitate mass email notifications to the University community, to specifically affected University populations, or through NUPD social media accounts. NUPD Advisories are utilized to share important information that does not necessarily rise to the level of an emergency notification or timely warning. They may also be used to inform the community about relevant safety awareness campaigns.

EMERGENCY NOTIFICATIONS

NUPD receives information through officers on patrol, offices and departments on campus, local municipal law enforcement, email, phone calls, text messages, and other media sources. Reported emergencies will be confirmed by police dispatched to the scene, through the use of security cameras,

or a combination of both. If NUPD confirms, based on information received from these sources, or others, that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of the University community, the University will, through NUPD, without delay, and taking into account the safety of the campus community, determine the content of the emergency notification and initiate the notification system. The only reason an emergency notification would not be immediately issued for a confirmed emergency or dangerous situation would be if doing so would compromise efforts to assist a victim, contain the emergency, respond to the emergency, or otherwise mitigate the emergency.

The acting Sergeant on duty, or a higher-ranking command staff member including the Chief of Police, or the University Emergency Manager have the authority to prepare and disseminate an emergency notification without delay, taking into account the safety of the community. In determining an appropriate emergency notification, the University will consider several factors, including, but not limited to, the segment of the population threatened and the nature of the immediate threat.

The emergency notification will contain information regarding the event, as well as instructions regarding immediate protective action that should be taken. The NU Alert system will send emergency notifications to the affected population via text message to mobile phones and via University email. Additional methods of communication such as voice message and/or social media may be utilized for emergency notifications. Follow up messaging will be sent to the University community when such instructions are required and/or emergency conditions have abated utilizing the same methods of notification as the initial message at minimum.

Emergency notifications will also be posted on NUPD's safety notification webpage at <https://nupd.northeastern.edu/safety-notifications>.

TIMELY WARNINGS

The University, through NUPD, issues timely warnings concerning Clery Act crimes that occur on the University's Clery geography, where those crimes pose a confirmed, ongoing threat to the safety of the campus community. The decision to issue a timely warning is made on a case-by-case basis, as soon as pertinent information becomes available, and in light of all known circumstances surrounding a crime, including factors such as whether there exists a continuing threat to the campus community, whether the perpetrator has been apprehended, and the possible risk of compromising law enforcement efforts.

The Chief of Police or designee has the authority to issue timely warnings. The process the University will follow when determining whether to issue a timely warning is designed to expedite the decision-making process, and initiate notification to the community.

Upon receiving a report that may result in the issuance of a timely warning, NUPD command staff will analyze the incident and consult, when necessary, with other University departments (e.g., Student Life). This consultation may be conducted in person, or via electronic means, and is undertaken for the purpose of discussing relevant facts, the level of threat to the community, whether a timely warning will be issued, and the content of any timely warning notice. When the University issues a timely warning, it will do so through the NU Alert system which will generate emails to the impacted University students, faculty and staff.

Timely warnings will also be posted on NUPD's safety notification webpage at <https://nupd.northeastern.edu/safety-notifications>.

REPORTING CRIMES

Crimes and emergencies occurring on campus should be reported directly to 9-1-1 and DPS or NUPD, particularly where an incident may involve the need for issuance of a notification to the University community. OPD can be contacted at 9-1-1 or 510.777.3333. DPS can be contacted at 510.430.5555. NUPD can be contacted at 617.373.3333.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

OEM is responsible for coordinating University responses to emergencies, in accordance with established emergency operations plans. Emergency operations plans are developed for each campus and follow the facets of the Incident Command System (ICS). Members of the University community should familiarize themselves with the NU Emergency Guidebook, found online at <https://nupd.northeastern.edu/guide>. The NU Emergency Guidebook is also available in print through OEM.

Exercises are conducted at least annually to assess one or more core capabilities in the areas of prevention, protection, mitigation, response, and recovery. Exercises range from full-scale exercises to tabletop exercises and align with the U.S. Department of Homeland Security's Exercise and Evaluation Program ("HSEEP"). Exercises are scheduled and announced by University email notification to minimize the impact to the campus. All exercises are documented, including a description of the exercise and the date and time it occurred. Exercise objectives are evaluated through an exercise evaluation process involving outside organizations and agencies, which leads to after action reporting and improvement planning. Emergency operations plans are revised every three years and exercise after action reports are used in the revision process.

EMERGENCY EVACUATION

In the event that it becomes necessary to evacuate a building, the fire alarm system, or in some buildings a public announcement system, may be used to notify occupants. When the fire alarm sounds, proceed quickly and calmly to the nearest exit or follow the instructions provided over the announcement system. Always bring essentials with you such as an ID, purse, keys, or jacket—you could be displaced from the building for an extended period of time. Do not use elevators. It is recommended that you familiarize yourself with two means of exit from areas where you routinely work, study, or live. Remain outside the building until a public safety official authorizes reentry or directs you to an area of safety if the evacuation will be for an extended period of time.

The University's emergency response and evacuation procedures are publicized at least once a year via University email. Visit <https://nupd.northeastern.edu/guide> for more information on emergency response and evacuation procedures.

SEXUAL VIOLENCE POLICY AND PROTECTIONS

The University is committed to fostering a campus climate of mutual tolerance and respect. Toward that end, the University strictly prohibits and will take prompt and equitable action to prevent, detect, investigate, resolve, avoid recurrence, and remedy acts of sexual assault, sexual harassment, domestic violence, intimate partner violence, dating violence, stalking, and retaliation as those terms are defined both under the Clery Act and under the University's Title IX Policy.⁶ For ease of reviewing this policy statement, the aforementioned acts are collectively referred to as "Prohibited Offenses."

⁶ See the Title IX Policy on page 24.

REPORTING PROHIBITED OFFENSES

Complainants are urged to report Prohibited Offenses to either NUPD (617.373.2121), DPS (510.430.5555), OPD (9-1-1 or 510.777.3333), and/or the Office for University Equity and Compliance (OUEC) (617.373.4644) as soon as possible, regardless of where an incident occurred, and regardless of whether an assailant is known to a Complainant.

Mandatory University Reporters are required to immediately report information regarding Prohibited Offenses to OUEC. Mandatory University Reporters, who are informed in their official capacity of occurrences of Prohibited Offenses, should also encourage individuals to report incidents of Prohibited Offenses to NUPD/Oakland DPS, other off-campus law enforcement authorities, or to OUEC. NUPD and DPS work closely with reporting parties to ensure that appropriate medical care and counseling are made available.

THE IMPORTANCE OF OBTAINING MEDICAL CARE IMMEDIATELY FOLLOWING A SEXUAL ASSAULT

The importance of obtaining medical care immediately following a sexual assault cannot be overstated. Doing so enables a Complainant to obtain medical care for injuries, sexually transmitted diseases, and psychological trauma. In addition, a Complainant may elect to have a forensic examination done at a local hospital from a specially trained Sexual Assault Nurse Examiner ("SANE nurse"). There are SANE nurses on call at Highland Hospital (510.437.4800 / 1411 E. 31st Street, Oakland CA 94602); St. Rose Hospital (510.264.4000 / 27200 Calaroga Ave., Hayward, CA 94545; and Eden Medical Center (510.537.1234 / 20103 Lake Chabot Rd., Castro Valley, CA 94546). Choosing to obtain a forensic examination does not require a Complainant to file a police report. Rather, a forensic examination helps preserve possible evidence should a victim choose to file a police report at a later time.

ASSISTANCE NOTIFYING LAW ENFORCEMENT

Complainants are not required to file formal criminal charges, even if they report the incident to local police or NUPD/DPS, and it is their right to decline to notify law enforcement in the event of a notification to the University. If a Complainant reports the incident to NUPD/DPS, a University investigator, specially trained in dealing with victims of sexual assault, will present the Complainant with a full range of options and services available so the Complainant can choose the most appropriate course of action. In the event a Complainant chooses to report the matter only through the University administration, students accused of sexual assault are subject to disciplinary action in accordance with the provisions of the Code of Student Conduct as contained in the Student Handbook irrespective of whether a Complainant files a police report.

A Complainant's name is kept confidential, consistent with applicable law.

FILING FOR A PROTECTIVE ORDER

No Contact Orders

Complainants may request to have the University issue a No Contact order against the accused person if that individual is a University affiliate. No Contact orders direct both the Complainant and the accused to have no contact or communications whatsoever with each other. An order prohibits direct or intentional communication or contact via phone, e-mail, instant or text messages, social media or through a third party. Violation of a No Contact order may result in action being imposed. No Contact

orders differ from restraining orders as they do not prevent the accused from being in the same building, area, etc. as the victim.

A Complainant can make a request for a No Contact order by contacting one of the following departments:

- NUPD (617.373.2121)
- DPS (510.430.5555)
- OUEC (617.373.4644)
- By filing a report online with the Office of Student Conduct and Conflict Resolution (OSCCR) through its webpage at <https://osccr.sites.northeastern.edu/>.

A No Contact order may be imposed on the parties involved in the incident when the University determines the severity of an incident rises to the level where continued contact between the involved parties could lead to further incidents and/or the creation of an unhealthy, unsafe and/or hostile environment. Communication of this order will be made via e-mail to the student's University e-mail account. If a violation of the No Contact order occurs, the individual should promptly report the violation to NUPD or OSCCR.

Restraining Orders

Protective Orders and Other Domestic Violence Prevention Orders, found under California Family Code 6300-6306, are issued to help keep victims from being abused. Protective Orders, most commonly known as a restraining order, will allow the court to issue a protection order notifying your abuser to stop the abuse. The police are responsible for enforcing the violation of the restraining order.

The Domestic Violence Prevention Act and Protective Order and Other Domestic Violence Prevention orders applies to certain relationships which are defined by California Family Code 6200 as people who are or were:

- Married; or
- Living together; or
- Related by blood or marriage; or
- Parents of a common child regardless of whether they have ever been married or lived together; or
- Involved in a frequent, intimate dating or engagement relationship.

If you decide to file a complaint for a protective order or have questions regarding a protective order, contact the OPD at 510.777.3333, Oakland Public Safety at 510.430.5555, or NUPD at 617.373.2121 and NUPD can assist you during the following process.

Victims are required to file an application for a Complaint for Protection from Abuse at the local court (this is a civil complaint, not a criminal one). Afterwards, you will speak to a judge or clerk to explain what happened and why you need protection. The judge will then decide whether to grant a Temporary Order valid for up to twenty-five (25) business days. If the Temporary Order is granted, you will be given

a copy of the order and summons to return to court within twenty-five (25) business days for a “permanent hearing”. The accused will also be sent a summons to appear, and the police will attempt to serve the order to that person. The “permanent hearing” is when the judge will decide whether or not to extend the order. The hearing will allow both the victim and the abuser an opportunity to tell what happened.

You are allowed to bring any witnesses or evidence you might have to support your testimony. If the accused does not appear, the hearing will still be held and may result in the order being extended. The victim must appear at this hearing or the order will automatically be vacated. The judge will make a determination after hearing testimony if the order will be vacated or extended.

If you need immediate protection from your abuser, contact the OPD (9-1-1 or 510.777.3333).

Consider ways to leave your present situation safely. The police can assist you in obtaining an Emergency Restraining Order valid for up to 7 business days, providing enough time for the Complainant to file for a restraining order in Court. Once the order has been issued you will be given a copy and the police will attempt to serve a copy to the abuser.

Violation of a Domestic Violence Restraining Order is a crime. If a person subject to an order violates it, call OPD (9-1-1 or 510.777.3333) immediately. Explain to the police that the subject of a restraining order has violated it and you need help right away. If the subject has left the scene, try to provide the direction of flight and a physical clothing description.

Remember to keep the order on you at all times. Inform family, friends, neighbors, and roommates that you have a restraining order. Do not hesitate to call the police immediately if the subject of a restraining order violates the order.

If you are leaving an abusive relationship, remember leaving a violent relationship can be very difficult and dangerous; make sure you have a safety plan in place. Know ahead of time a safe place you can go to in an emergency. Bring along important documents (driver’s license, bankbooks, custody documents, etc.) and tell a friend. Let someone you trust help you make the first step.

Civil Harassment Restraining Orders

All members of the University community have the right to be free from being harassed and or placed in fear. The law has provided victims of harassment with the ability to obtain relief from the courts even though there is no relationship with the abuser. The Civil Harassment Restraining Orders, California Code of Civil Procedure Section 527.6, fills a critical gap in the law to protect victims of criminal harassment, stalking, or sexual assault from being harassed repeatedly regardless of their relationship with the perpetrator.

If you are a victim of harassment and wish to obtain a Civil Harassment Restraining Order, contact the OPD immediately for assistance or your local police where you live. The procedure for filing for a Civil Harassment Restraining Order is the same as filing for a Domestic Violence Restraining Order described above.

POLICY ON SEXUAL AND GENDER-BASED HARASSMENT AND TITLE IX

I. PURPOSE AND SCOPE

Northeastern University (the “university”) is committed to providing equal opportunity to its students and employees and to eliminating discrimination when it occurs. In furtherance of this commitment, the university prohibits discrimination and harassment based on protected characteristics as identified in the university’s [Policy on Nondiscrimination and Equal Opportunity](#).

In accordance with this Policy, the university specifically prohibits Sexual Harassment as defined by Title IX, which includes Quid Pro Quo Sexual Harassment, Hostile Environment Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, and Stalking on the basis of sex in an education program or activity (“Title IX Prohibited Offenses”). The university also prohibits other forms of sexual and gender- based misconduct, including Sexual Exploitation, Gender-Based Harassment, Sex-

Based Discrimination, Failure to Comply and Retaliation under this Policy (“Sexual or Gender-Based Prohibited Offenses”)
(collectively, “Prohibited Offenses”).

This Policy articulates how the university will respond to reports of conduct prohibited by this Policy and take prompt action to eliminate such conduct, prevent its recurrence, and remedy adverse effects in Northeastern’s education programs and activities, including, as appropriate, by way of the resolution procedures associated with this Policy, consistent with applicable laws, including Title IX of the Education Amendments of 1972 (“Title IX”), the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, and the Violence Against Women Reauthorization Act of 2022. This Policy also provides a consolidated statement of the rights and responsibilities of university community members and describes how individuals may report allegations of conduct prohibited by this Policy to the university.

This Policy applies to members of the university community, including students, faculty, staff, volunteers, guests, alumni, and third parties who are participating in or attempting to participate in Northeastern’s education programs or activities, including admission and employment.

Vendors and contractors serving the university are subject to the policies and procedures of their employers. When a Respondent under this Policy is an employee of a vendor or contractor, the university will collaborate with the vendor or contractor to address the alleged Prohibited Offense consistent with the company’s policies as well as the university’s obligations under this Policy.

Similarly, the university will assist and support a student or employee Complainant who experiences discrimination while on a co-op or in other academic or work environments external to the university where policies and procedures of the host organization may give the Complainant recourse. If effects of such external conduct impact a student or employee’s work or educational environment, the university often can seek to address those effects if a report is filed with the university.

II. DEFINITIONS

The university prohibits the conduct defined below under this Policy.

Federal regulations for the implementation of Title IX provide detailed rules for addressing Formal Complaints about some types of sexual harassment. A Formal Complaint about conduct that falls within Title IX’s definition of Sexual Harassment, which includes Quid Pro Quo Sexual Harassment, Hostile Environment Sexual Harassment, Sexual Assault, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Title IX Prohibited Offenses”) may be addressed using the university’s Informal or Formal Resolution Procedures for Title IX Prohibited Offenses involving Student and Employee Respondents when the alleged conduct occurred in the United States and:

1. In the University’s education programs and activities, including but not limited to research, the admission and employment processes, and university co-curricular, athletic, or other programs. This includes conduct that occurs in locations, events, or circumstances, including online conduct, in which the University exercises substantial control over both the Respondent and the context in which the conduct occurred; or
2. In any building owned or controlled by a university-recognized student organization. This does not include buildings owned or controlled by individual members of a recognized student organization or off-campus buildings used, but not owned or controlled, by a recognized student organization.

Title IX Prohibited Offenses do not apply to conduct alleged by Third Party Complainants against university community members.

In addition to Title IX Prohibited Offenses, this Policy also prohibits other kinds of sexual and gender-based harassment and misconduct, as described below. All other conduct prohibited by this Policy, including Sexual or Gender-Based Prohibited Offenses and conduct that occurs outside the context of a university education or research program or activity or employment, but which nonetheless creates a hostile environment in a university program or activity, will be addressed using the university's Sexual and Gender-Based Harassment ("SGBH") Informal or Formal Resolution Procedure.

TITLE IX PROHIBITED OFFENSES

1. **Sexual Harassment** means conduct on the basis of sex that satisfies one or more of the following:
 - a. An employee or other community member of the university conditioning the provision of an aid, benefit, or service of the university on an individual's participation in unwelcome sexual conduct (quid pro quo sexual harassment);
 - b. Unwelcome conduct determined by a reasonable person standard to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the university's education program or activity (hostile environment sexual harassment); or
 - c. Any of the other Title IX Prohibited Offenses, as defined below.

The term "effectively denies" does not require a Complainant to be entirely or physically excluded from educational opportunities and may be established when the conduct so undermines and detracts from the Complainant's educational experience that access is effectively denied.

In evaluating whether the unwelcome conduct is so severe, pervasive, and objectively offensive that it effectively denies a person equal access, the university uses a reasonable person standard that takes into account the totality of known circumstances in a particular situation, including but not limited to:

- The frequency, nature, and severity of the conduct;
 - The age, disability status, and other characteristics of the parties;
 - Whether the conduct was physically threatening;
 - The effect of the conduct on the Complainant's mental or emotional state; and
 - Whether the conduct unreasonably interfered with the Complainant's educational or work performance and/or university programs or activities.
2. **Sexual Assault** means any sexual act directed against another person, without the consent of the Complainant, including instances where the Complainant is incapable of giving consent. This includes the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without consent. This also includes any intentional touching of the private body parts of another person for the purpose of sexual gratification, without consent.

Sexual Assault includes the following conduct:

- a. **Rape:** The carnal knowledge of a person, without the consent of the Complainant, including instances where the Complainant is incapable of giving consent because of their age or because of their temporary or permanent mental or physical incapacity.
 - b. **Sodomy:** Oral or anal sexual intercourse with another person, without the consent of the Complainant, including instances where the Complainant is incapable of giving consent because of their age or because of their temporary or permanent mental or physical incapacity.
 - c. **Sexual Assault with an Object:** To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the Complainant, including instances where the Complainant is incapable of giving consent because of their age or because of their temporary or permanent mental or physical incapacity.
 - d. **Fondling:** The touching of the private body parts, such as breasts, buttocks, groin, genitals, or the clothing covering them, of another person for the purpose of sexual gratification, without the consent of the Complainant, including instances where the Complainant is incapable of giving consent because of their age or because of their temporary or permanent mental incapacity. Fondling also includes forcing or coercing another person to touch themselves or someone else with or on someone's breasts, buttocks, groin, genitals, or the clothing covering them.
 - e. **Incest:** Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - f. **Statutory Rape:** Unforced sexual intercourse with a person who is under the statutory age of consent in the jurisdiction where the sexual intercourse took place.
3. **Dating Violence:** means the use, attempted use, or threatened use of physical force against a person or property of another committed by a person:
- a. who is or has been in a relationship of a romantic or intimate nature with the Complainant; and
 - b. where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - i. The length of the relationship;
 - ii. The type of relationship;
 - iii. The frequency of interaction between the persons involved in the relationship.
4. **Domestic Violence:** means the use, attempted use, or threatened use of physical force against a person or property of another:
- a. by a current or former spouse or intimate partner of the Complainant,
 - b. by a person with whom the Complainant shares a child in common,
 - c. by a person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, or
 - d. by a person similarly situated to a spouse of the Complainant under the family violence laws of the jurisdiction in which the allegation takes place.
5. **Stalking:** means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or to suffer substantial emotional distress.

“Course of conduct” means two or more acts, including, but not limited to, acts in which a person follows, monitors, observes, surveils, or threatens someone, conducted in person directly, indirectly, or through third parties, or by mail, phone, electronically, or social media.

“Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily require, medical or other professional treatment or counseling.

6. **Retaliation:** means intimidation, threats, coercion, or discrimination against a person by the university, a student, or employee for the purpose of interfering with any right or privilege secured by this Policy, or because the person has engaged in a process identified in this Policy, including:
- making a good faith report,
 - filing a Formal Complaint,
 - serving as a witness,
 - assisting, or participating or refusing to participate (except as required for employees) in any manner in an investigation, adjudication or resolution procedure under this Policy, including an Informal Resolution procedure, or in any other appropriate steps taken by the university to promptly and effectively end any Prohibited Offense in its education program or activity, prevent its recurrence, and remedy its effects.

Retaliation does not include good faith actions lawfully pursued in response to a report of Prohibited Offenses.

B. SGBH PROHIBITED OFFENSES

The definitions listed above for Stalking and Retaliation under Title IX Prohibited Offenses also apply for allegations of SGBH Prohibited Offenses when the allegations fall outside of the Title IX jurisdiction.

1. **Sexual Harassment** means conduct on the basis of sex that satisfies one or more of the following and does not fall within the definition of Sexual Harassment under Title IX as outlined in Section II.A:
 - a. An employee or other community member of the university conditioning the provision of an aid, benefit, or service of the university on an individual's participation in unwelcome sexual conduct (quid pro quo sexual harassment); and/or
 - b. Unwelcome conduct determined by a reasonable person standard to be so severe, pervasive, and objectively offensive that it creates a hostile environment.
2. **Domestic Violence** means the intentional infliction of physical, sexual, or psychological harm on a current or former partner or spouse that does not fall within the definition of Domestic Violence under Title IX as outlined in Section II.A.
3. **Gender-Based Harassment** includes harassment based on gender, gender identity, gender expression, sexual orientation or pregnancy/pregnancy related conditions that has the effect of creating a hostile living, learning, or working environment.
4. **Sexual Assault** consists of Sexual Contact and/or Sexual Intercourse that occurs without Consent and does not fall within the definition of Sexual Assault under Title IX as outlined in Section II.A.

- a. Non-Consensual Sexual Contact is any intentional touching of a sexual nature performed by a person upon another person, without the consent of all parties involved, including:
 - i. the intentional touching of the intimate body parts of another, such as breasts, buttocks, groin, genitals, or the clothing covering them, or
 - ii. forcing or coercing another person to touch another or themselves with or on someone's breasts, buttocks, groin, genitals, or the clothing covering them.
 - b. Non-Consensual Sexual Intercourse is:
 - i. any actual or attempted oral, anal, or vaginal penetration, however slight, by an inanimate object, penis, or other bodily part without the consent of all parties involved, or
 - ii. forcing or coercing another person to penetrate someone else.
- 5. **Sexual Exploitation:** means when a person(s) takes non-consensual sexual advantage of another, for any purpose. Sexual Exploitation includes but is not limited to:
 - a. Inducing Incapacitation for the Purpose of Sexual Activity: Providing drugs, alcohol, or other substances to a person with or without their knowledge, with the intent to impair their ability to withhold consent or their ability to knowingly consent to sexual activity.
 - b. Photographing or Video/Audio Taping of Sexual Activity: The intentional viewing, filming, photographing, and/or recording in any manner or by any means transmitting and/or disseminating any recording of any type of sexual acts, partial or full nudity, and/or related materials, sounds, or images of another person without the consent of all parties involved.
 - c. The distribution of images, including video or photograph, or audio of another person's sexual activity or private body parts, if the individual distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to the disclosure.
 - d. Creating or disseminating synthetic media, including images, videos, or audio representations of individuals engaging in sexual acts or conduct that never happened, or placing identifiable real people in fictitious pornographic or nude situations without their consent (i.e., Deepfakes).
 - e. Creating or disseminating images or videos of child sexual abuse
 - f. Voyeurism: The act of intentionally observing, spying on or listening to a person(s) involved in sexual activity or in any state of undress, in a place where that other person would have a reasonable expectation of privacy, without that person's consent. Voyeurism also occurs when an individual allows others to observe this behavior without the consent of all parties involved.
 - g. The prostituting of another person.
 - h. The trafficking of another person, defined as the inducement of a person to perform a commercial sex act, or labor or services, through force, fraud, or coercion.
- 6. **Sex-based discrimination:** means inequitable treatment with respect to a person's employment or participation in an education program or activity that:
 - a. Is based, in whole or in part, upon the person's actual or perceived sex or gender, including gender identity, gender expression, sexual orientation or pregnancy/pregnancy related conditions;

- b. Adversely affects a term or condition of the person's employment or participation in a university program or activity; and
- c. Does not fall within the scope of any of the Prohibited Offenses defined above.

7. Failure to Comply/Process Interference refers to any of the following:

- a. Intentional failure to comply with the reasonable directives of university officials in the performance of their official duties, including with the terms of a No Contact Order issued related to an alleged violation of this Policy
- b. Intentional failure to comply with Emergency Removal conditions
- c. Intentional failure to adhere to the terms of an agreement achieved through an Informal Resolution
- d. Intentional failure to comply with Mandatory University Reporting duties as defined in this Policy
- e. Intentional interference with an OUEC Resolution Procedure, including but not limited to:
 - i. Destruction or concealing of evidence
 - ii. Actual or attempted solicitation of knowingly false testimony or providing false testimony or evidence
 - iii. Intimidating or bribing a witness or party

Other definitions applicable in this Policy and the Informal and Formal Resolution Procedures are included in Appendix A.

III. POLICY

The university does not discriminate on the basis of sex and prohibits sex discrimination in its education programs and activities, including in admissions and employment, as required by Title IX, its regulations, and other federal, state, and provincial laws. The university is committed to maintaining a safe and respectful learning, living, and working environment for all members of the university community free from sex discrimination.

The university will take prompt and equitable action to resolve Formal Complaints of Prohibited Offenses using the university's Formal and Informal Resolution Procedures, as appropriate.

A. TITLE IX COORDINATOR

The University's Title IX Coordinator, with the assistance and support of designees, is responsible for coordinating the university's compliance with federal, state, provincial, and local civil rights laws and regulations related to discrimination, harassment, and retaliation. The Title IX Coordinator leads the university's efforts related to compliance with Title IX, reviewing and resolving complaints of Prohibited Offenses, delivery of related training and education, and the assessment of the university's effectiveness in responding to and remedying the effects of Prohibited Offenses. Because the Title IX Coordinator may designate any qualified person to assume or assist in performing the Title IX Coordinator's duties under this Policy, where the Policy identifies a specific role of the Title IX Coordinator, such provision should be read with the understanding that the role may be performed by any of the Title IX Coordinator's designees.

The Title IX Coordinator oversees the Office for University Equity and Compliance (OUEC). The OUEC is responsible for reviewing and resolving allegations of Prohibited Offenses, as defined in this Policy.

No other university individual, office, group, club, organization or community member has investigative authority unless authorized by OUEC.

The Title IX Coordinator may be contacted as follows:

Title IX Coordinator: Mark Jannoni
Email: ouec@northeastern.edu
Phone: 617.373.4644
Address: 360 Huntington Avenue
125 Richards Hall
Boston, MA 02116

B. EMPLOYEE RESPONSIBILITIES

University employees, except Confidential Employees (whose positions are identified in Appendix B), are Mandatory University Reporters and are obligated to immediately report information they receive about potential Prohibited Offenses to the OUEC. OUEC will offer support resources, pathways towards a resolution through the university and/or options to report crimes to law enforcement.

C. REPORTING OPTIONS

1. Reporting to OUEC

Northeastern strongly encourages any individual who has experienced, observed, or has knowledge of a Prohibited Offense to report to the Title IX Coordinator through OUEC. Reporting conduct that may constitute Prohibited Offenses to the Title IX Coordinator does not necessarily obligate the reporter to participate in any subsequent proceedings, nor is such participation required for an individual to request and receive Supportive Measures. A report is not a Formal Complaint, as outlined in Section III.F, and does not require the Complainant to file a Formal Complaint. In some cases, however, such as patterns of behavior, allegations of severe misconduct, or a compelling threat to health and/or safety, the Title IX Coordinator may file a Formal Complaint to initiate a resolution process even where the Complainant has decided not to do so.

The university strongly encourages anyone with information about a possible Prohibited Offense to report such information to the OUEC as soon as possible to facilitate an effective response. Although there is no time limit for making a report to the OUEC, it may be more difficult for the university to gather relevant and reliable evidence or to take corrective action the longer a report is delayed. If a Respondent is no longer a student, employee, or person who is participating or attempting to participate in a university program or activity at the time of the report, the university's ability to take action against the Respondent under the Policy may be limited. In these cases, however, the university will assist a Complainant to identify and access external reporting options, if applicable, and will provide support and resources.

The university's preferred mechanism to report Prohibited Offenses to the Title IX Coordinator is by completing the [online reporting form](#) on the OUEC's website. Reports may be made anonymously through this form. Anonymous reports may limit the university's ability to investigate, respond, and provide remedies, depending on what information is shared. Measures intended to protect the community or redress or mitigate harm may be established at the discretion of the Title IX Coordinator.

Reports can also be made to the Title IX Coordinator using the contact information listed in Section III.A.

As soon as is practicable after receiving a report of conduct that may constitute a Prohibited Offense, an Investigator from the OUEC will contact the Complainant identified in the report to schedule an initial meeting to refer them to this Policy and review rights and support options, as described in more detail in the Informal and Formal Resolution procedures under this Policy.

2. Reporting to Law Enforcement

Community members impacted by or aware of possible Prohibited Offenses are strongly encouraged, but not required, to report any information about possible Prohibited Offenses directly to Northeastern University Police Department ("NUPD") as soon as possible, regardless of where the offense took place and whether the Respondent is known to the Complainant. As Mandatory University Reporters, NUPD officers will report Prohibited Offenses to the Title IX Coordinator.

Investigations by OUEC and criminal investigations by law enforcement, including NUPD, may proceed simultaneously as discussed below in Section III.G. Reporting a Prohibited Offense to NUPD or other local law enforcement does not commit the Complainant to future legal action.

NUPD can be contacted at 617-373-3333 for immediate emergency assistance. For general, non-emergency inquiries and reports, call 617-373-2121.

3. Confidential Resources

Certain Northeastern employees are designated as Confidential Employees pursuant to this Policy. A list of confidential employee positions is provided in Appendix B. Such positions include those to whom a privilege or confidentiality applies under applicable federal or state laws, as well as certain positions that have been designated by the university as confidential for the purpose of providing services related to sex discrimination.

Confidential Employees are not required to disclose to the Title IX Coordinator any information from reports of sex discrimination they receive from an individual while performing their Confidential Employee role.

While Confidential Employees will maintain confidentiality under this Policy and the Resolution Procedures, they may be required to disclose personally identifiable information by law or a court order or when the reporting individual gives written consent for disclosure.

Confidential Employees who receive notice of Prohibited Offenses within the scope of their confidential roles will timely submit anonymous information to the university for the purpose of reporting crime statistics in compliance with applicable federal and state laws.

D. SUPPORTIVE REMEDIAL AND PROTECTIVE MEASURES

The university offers reasonable and appropriate measures to protect community members who are Complainants, Respondents, and witnesses, as appropriate, and to facilitate their continued access to university education programs and activities for students and work environment for employees,

while maintaining the integrity of any resolution procedure into an allegation of a Prohibited Offense. The university will inform the Complainant(s) and Respondent(s) of, and promptly provide access to, the following supportive, remedial and protective measures as appropriate:

- options for on- and/or off-campus medical, counseling, and other related services, including access to a Sexual Assault Nurse Examiner;
- options for temporary alternate housing arrangements, including immediate relocation to different university housing (students only);
- options for requesting a residential hall ban (students only);
- options for altering academic class schedules/obligations (students only);
- options for a leave of absence, if qualifications are met;
- visa and immigration assistance;
- options for altering student organization schedules/obligations;
- options for altering work schedule or job assignment;
- referral to the Employee Assistance Program (employees only);
- Emergency Removal and/or, for employee Respondents, administrative leave with or without pay);
- options for alternative transportation to the hospital or court (when possible) as well as a campus escort service;
- options for seeking assistance from local law enforcement, including safety planning, safety escorts, increased security and monitoring of certain areas of campus when possible and as deemed appropriate by the Title IX Coordinator;
- options for seeking disciplinary action against a Respondent who is a Northeastern community member;
- options for receiving a university No Contact Order;
- options for seeking a Judicial Harassment Protection Order or a Restraining Order;
- options for seeking disciplinary action against a Respondent who is a Northeastern community member; and
- any other actions deemed appropriate by the Title IX Coordinator.

Additionally, if the Title IX Coordinator determines that a report of Prohibited Offenses reveals involvement of a recognized student club or organization, the Title IX Coordinator will consult with appropriate university officials regarding any appropriate interim university action pending outcome of a university investigation, including, but not limited to, training or prevention programs or modification of status, or interim suspension.

The above supportive, remedial and protective measures may be temporary or permanent and are available to Complainants even if they do not wish to participate in a resolution procedure through the OUEC or criminal investigation of the alleged Prohibited Offense. Except under extraordinary circumstances as determined by the Title IX Coordinator, the university does not provide protective and remedial measures to Third Parties.

The parties may timely request modification or reversal of the university's decision to provide, deny, modify, or terminate supportive measures applicable to them. A request to do so should be made in writing to the Title IX Coordinator. An impartial employee other than the employee who implemented the supportive measures, who has authority to modify or reverse the decision, will determine whether to provide, deny, modify, or terminate the supportive measures if they are inconsistent with the definition of supportive measures under this Policy. The university will also provide the parties with the opportunity to seek additional modification or termination of supportive

measures applicable to them if circumstances change materially. The university typically renders decisions on supportive measures within seven (7) business days of receiving a request and provides a written determination to the impacted party.

The OUEC will maintain the confidentiality of the supportive measures to the extent that maintaining such confidentiality does not impair the OUEC's ability to provide those supportive measures.

E. EMERGENCY REMOVAL AND ADMINISTRATIVE LEAVE

Emergency Removal is the process for removing a student Respondent from the university's education program or activity or an employee Respondent from their employment, partially or entirely, on an emergency basis. The university will conduct an individualized safety and risk analysis to determine whether there exists an immediate threat to the health and safety of a Complainant or any student, employee, or other individual arising from the allegations of the Prohibited Offense(s). When Respondents are removed through this process, the university will provide the Respondent with notice of the Emergency Removal through their university email. This notice will include Respondent's opportunity to appeal the decision within five (5) business days of the date the notice was sent, absent extenuating circumstances. The procedures for an Emergency Removal are detailed [here](#).

The university may also place employees on administrative leave with or without pay pending the outcome of any investigative process, as deemed appropriate by the university.

F. FORMAL COMPLAINTS

A Formal Complaint is a document filed and signed by a Complainant or signed by the Title IX Coordinator alleging a Prohibited Offense against a Respondent and requesting that the university initiate either a Formal or Informal Resolution procedure. A Formal Complaint filed by a Complainant must have the Complainant's physical or digital signature, or otherwise indicate that the Complainant is the person filing the Formal Complaint.

A Formal Complaint is separate from a report. After a Formal Complaint has been filed by the Complainant or Title IX Coordinator, OUEC will commence the appropriate resolution procedure.

For the purposes of allegations of Title IX Prohibited Offenses, at the time of filing a Formal Complaint, a Complainant must be participating in or attempting to participate in the education program or activity of the university. For the purposes of allegations of SGBH Prohibited Offenses, Third Party Complainants may file a Formal Complaint with the OUEC. In cases where a student Complainant was participating in or attempting to participate in an education program or activity of the university at the time of the incident and during the University resolution process, but leaves the University prior to the hearing process, the Complainant may choose to participate fully as a student Complainant would.

If a Complainant pursues a Formal Complaint for an alleged Prohibited Offense, Respondent will receive a Notice of Allegations which includes the identity of the Complainant, if known. Accordingly, if the OUEC knows a Complainant's identity at the time a Formal Complaint is filed, the Title IX Coordinator will not be able to honor a Complainant's request to remain anonymous while pursuing a Resolution Option under this Policy.

Although the university is not able to honor requests for anonymity with respect to Formal Complaints, the Title IX Coordinator will notify the Complainant if the university intends to proceed with a Formal or Informal Resolution Process in the Complainant's absence, and the possibility that during the investigation, the Complainant's identity may have to be disclosed to individuals who may have relevant information regarding the allegation. The university will also take immediate steps to provide Complainant with supportive, remedial and protective measures, as described in this Policy, as appropriate.

The university reserves the right to consolidate Formal Complaints of Prohibited Offenses against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against another party, when the allegations of Prohibited Offenses arise out of the same facts or circumstances.

1. Formal Complaints Filed by the Title IX Coordinator

If a Complainant chooses not to file a Formal Complaint against a Respondent or withdraws any or all of the allegations in a Formal Complaint, and in the absence or termination of an Informal Resolution Procedure, the Title IX Coordinator will offer supportive measures and determine whether to initiate a Formal Complaint. To make this determination, the Title IX Coordinator will refer the matter to the Title IX Coordinating Committee for assessment. The Title IX Coordinating Committee will review the facts available to determine if there is a potential hostile environment in a university education program or activity, a threat to the health or safety of the Complainant or other person, or if the University cannot provide equal access based on sex to its education program or activity without initiating a Formal Complaint. In making this determination, the Title IX Coordinating Committee will review the allegations of Prohibited Offenses and consider the non-exhaustive factors listed in Appendix C to determine whether the Title IX Coordinator will file a Formal Complaint.

The Title IX Coordinator will notify the Complainant if a determination is made to proceed with a Formal Resolution Procedure and explain the Complainant's right to participate or not participate in the investigation or in any other actions undertaken by the university.

When the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a party of the Formal Resolution Procedure.

2. Dismissal of Formal Complaints

The Title IX Coordinator may dismiss a Formal Complaint when:

- The conduct alleged in the Formal Complaint, if proved, would not constitute a Prohibited Offense as defined in this Policy;
- The university is unable to identify the Respondent after taking reasonable steps to do so; or
- The Respondent is not participating in the university's education program or activity or is not employed by the University; or
- The Complainant voluntarily withdraws any or all allegations in the Formal Complaint and the Title IX Coordinator declines to initiate a Formal Complaint.

Before dismissing the Formal Complaint, the university will make reasonable efforts to clarify the allegations with the Complainant.

Upon any dismissal, the OUEC will promptly notify the Complainant in writing of the basis for the dismissal. If the dismissal of a Formal Complaint occurs after the Respondent has received notice of the allegations, the OUEC will also notify the Respondent of the dismissal.

When a Formal Complaint is dismissed, OUEC will:

- Offer supportive measures to the Complainant and Respondent as appropriate; and
- Take other prompt and effective steps, as appropriate, through the Title IX Coordinator to ensure that a Prohibited Offense does not continue or recur within the university's education program or activity.

3. Appeal of Dismissal of Formal Complaints

The Complainant may appeal a dismissal of their Formal Complaint. The Respondent may also appeal the dismissal of the Formal Complaint if dismissal occurs after the Respondent has received notice of the allegations. All appeals of dismissals of Formal Complaints must be filed with the Title IX Coordinator within two (2) business days of the notification of the dismissal. The appeal must specify the grounds for appeal and include supporting evidence regarding the basis for the appeal. The grounds for an appeal of a dismissal of a Formal Complaint are limited to:

- 1) Procedural irregularity that would change the outcome;
- 2) New evidence that would change the outcome and that was not reasonably available when the dismissal was decided; and/or
- 3) The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against Complainant or Respondent that would change the outcome.

The Title IX Coordinator will assign a Dismissal Appeal Officer who did not take part in any resolution procedure in this Policy for the allegations or dismissal of the Complaint. The Dismissal Appeal Officer will notify the Parties of any appeal of the dismissal of the Formal Complaint. If the Complainant appeals, but the Respondent was not yet notified of the Formal Complaint, the Dismissal Appeal Officer may then provide the Respondent with a notice of the allegation and may notify the Respondent of the Complainant's appeal with an opportunity to respond. The Dismissal Appeal Officer will provide two (2) business days for the other Party to respond to the appeal.

Throughout the appeal process for dismissals of Formal Complaints, the Dismissal Appeal Officer will provide the Parties a reasonable and equal opportunity to make a statement in support of or challenging the dismissal and notify the Parties of the result of the appeal and the rationale for the result.

In most cases, appeals are confined to a review of the written documentation or record of the original determination and pertinent documentation regarding the specific appeal grounds. The Dismissal Appeal Officer has five (5) business days to review and decide on the appeal, though extensions can be granted at the discretion of the Dismissal Appeal Officer, and the Parties will be notified of any extension.

The dismissal of a Formal Complaint will only be reversed on appeal if there is a compelling justification for such reversal on the grounds described in this Policy. Otherwise, the Dismissal Appeal Officer will deny the appeal and notify the Parties and the Title IX Coordinator in writing of the rationale for the denial. If this appeal is granted, the Dismissal Appeal Officer will notify the Parties and the Title IX Coordinator in writing of the decision and rationale. The effect of a reversal on appeal will be to reinstate the Formal Complaint.

G. UNIVERSITY AND LAW ENFORCEMENT INVESTIGATIONS

The OUEC will investigate allegations of Prohibited Offenses when the Respondent is a Northeastern student, faculty or staff member and a Formal Complaint is filed by a Complainant or the Title IX Coordinator.

The Title IX Coordinator will assign one or more impartial and trained investigators to the case. The investigator(s) may be from the OUEC, the NUPD, and/or external investigator(s) selected in the university's sole discretion. If needed, the investigator(s) may be assisted in conducting investigation functions by additional qualified individuals.

During the investigation, the investigator will collect information from the parties and any witnesses, as appropriate. The investigative process is described in more detail in the Formal Resolution Procedures for Title IX Prohibited Offenses Involving Student Respondents, the Formal Resolution Procedures for Title IX Prohibited Offenses Involving Employee Respondents, and the Formal Resolution Procedures for SGBH Prohibited Offenses. After completion of an investigation, the university will provide each party and the party's Advisor, if any, a written Investigative Report. The Investigative Report may reference or rely upon facts gathered by prior investigators, including but not limited to the Northeastern University Police Department, local law enforcement or external investigators.

Investigations and any subsequent adjudicatory proceedings under this Policy may be carried out prior to, simultaneously with, or following legal proceedings, whether civil or criminal. Neither a decision by law enforcement regarding prosecution nor the outcome of any criminal or civil proceeding will be considered determinative of whether a violation of this Policy occurred. At the request of either NUPD or another law enforcement agency, the Title IX Coordinator may delay the investigation into an alleged Prohibited Offense for a reasonable period during the initial stages of a criminal investigation. In such cases, OUEC investigations will commence after law enforcement notifies the Title IX Coordinator that it has completed the initial criminal investigatory stages. Neither a decision by law enforcement regarding prosecution nor the outcome of any criminal or civil proceeding will be considered determinative of whether a violation of this Policy occurred.

H. RESOLUTION OPTIONS

To provide options for pathways towards a resolution that consider the needs of students and employees involved in allegations of Prohibited Offenses, the university offers two forms of resolution for Formal Complaints of Prohibited Offenses: Informal and Formal Resolutions.

In both the Informal and Formal Resolution Procedures, interviews may be conducted in person, via online video platforms (e.g., Zoom, Microsoft Teams, etc.), or, in limited circumstances, by telephone.

1. Informal Resolution

The Informal Resolution Procedure is a voluntary and remedy-driven pathway to a complaint resolution that is acceptable to the Complainant, Respondent, and the OUEC without a full university investigation and without official findings of fact.

Possible options of an Informal Resolution may include, but are not limited to:

- Facilitated Dialogue: a structured conversation between the parties, facilitated by a third person who can assist in an agreed solution;
- Educational Conversations;
- Restorative Conferences;
- Impact statement: a letter written by the Complainant and read by the Respondent.

Complainants and Respondents are not required to communicate directly with each other, unless requested and agreed to by all parties, including OUEC.

The university may determine that certain forms of Informal Resolution are not appropriate given the specific facts or allegations. Additionally, if the allegation includes sexual violence that occurred in California, mediation is not allowed.

The procedures for the Informal Resolution Procedure of reports of Prohibited Offenses are detailed [here](#).

2. *Formal Resolution*

The Formal Resolution Procedure provides a structured process for investigating and resolving complaints that includes official findings of fact.

The Formal Resolution Procedure includes a neutral, thorough and reliable investigation by the OUEC into the allegations articulated in the Formal Complaint to reach a determination as to whether the Respondent(s) has violated this Policy. Complainants may initiate the Formal Resolution Procedure by filing a Formal Complaint with OUEC, regardless of whether resolution under the Informal Resolution Procedure has been attempted.

The university follows the Formal Resolution procedures detailed in the Title IX Formal Resolution Procedures regarding [student Respondents](#), [employee Respondents](#), and SGBH [Resolution Procedures](#), as appropriate. However, there may be circumstances that support a departure from these procedures. Should such circumstances arise, OUEC will advise the parties. If a Respondent is both a student and an employee, the Title IX Coordinator will determine which of the procedures applies based on the facts and circumstances, including which of the respondent's roles predominates in the context of the Prohibited Offense.

3. *Timeframe for Completion of Resolution Procedures*

Both Informal and Formal Resolution Procedures will be completed in a reasonably prompt and equitable manner. The goal is to have any Resolution Procedures completed in approximately 90 days after a Formal Complaint is made. However, the specific circumstances (e.g., availability and cooperation of parties and witnesses, etc.) and complexity of each case could lead to Resolution Procedures taking longer.

Any time frame set forth in this Policy may be extended for good cause, which may exist if additional time is necessary: to support the integrity and completeness of a resolution procedure; to comply with a request by external law enforcement for temporary delay to gather evidence for a criminal investigation; to accommodate the availability of witnesses or an advisor, within reason; to account for university and semester breaks; to account for complexities of a case, including the number of witnesses and volume of information provided by the parties; to accommodate the need for language

assistance; or for other legitimate reasons. The university will update the parties verbally or in writing of any extension of this timeframe and the reason for such extension.

I. SANCTIONS

1. *Student Respondents*

When a violation of this Policy is found at the conclusion of a Formal Resolution Procedure, OSCCR may impose one or more sanctions. Sanctions may include any of the sanctions that are available for violations of the university's Code of Student Conduct, including but not limited to expulsion, suspension, deferred suspension, disciplinary probation, letter of warning, cancellation of the Residence Hall and Dining License Agreement, counseling evaluation, and other sanctions or restrictions deemed appropriate by the university to address the conduct.

Northeastern reserves the right to delay the awarding of a degree, certificate, badge, or other credential pending the resolution of any university process resulting from a report of alleged violation of the Code of Student Conduct or the Policy on Sexual and Gender-Based Harassment and Title IX that has the potential to result in expulsion. In the instance that a student is found responsible for violating university policy, and the sanction is expulsion, the student will not be eligible to be awarded their pending credential.

In determining the appropriate sanction(s), OSCCR will consider relevant factors including:

- The severity, persistence or pervasiveness of the Prohibited Offense;
- The nature or violence (if applicable) of the Prohibited Offense;
- The impact of the Prohibited Offense on the Complainant;
- The impact or implications of the Prohibited Offense within the university community;
- Prior misconduct by the Respondent, including the Respondent's relevant prior disciplinary history, at the university or elsewhere, and any criminal convictions;
- Whether the Respondent has accepted responsibility for the Prohibited Offense;
- The maintenance of a safe, non-discriminatory and respectful environment conducive to learning; and
- Any other mitigating, aggravating, or compelling factors.

A Respondent who is both an employee and student may be subject to any of the sanctions applicable to students and employees.

2. *Employee Respondents*

An employee found responsible for a Prohibited Offense will be subject to appropriate sanctions and/or disciplinary action in accordance with applicable university policies, which may include, but is not limited to, verbal and written warnings, suspension, and/or separation from the university.

3. *Third Party Respondents*

The university's ability to take appropriate corrective action against a Third Party will be determined by the nature of the relationship of the Third Party to the university. The Title IX Coordinator will determine the appropriate manner of resolution consistent with this Policy.

If the Respondent is a Third Party, the OUEC will offer to assist the Complainant in identifying appropriate university and local resources and support options and will implement appropriate supportive measures and/or remedial actions (e.g., trespassing a person from campus). When the Respondent is a Third Party, NUPD or local law enforcement may investigate the allegations. The university will assist the Complainant in making a report to the appropriate law enforcement agency with jurisdiction over the incident, and will provide appropriate supportive, remedial and protective measures as well as ongoing assistance to the Complainant to facilitate their participation in the criminal process.

When the Respondent is enrolled in or employed by another institution, the OUEC can assist Complainant in contacting the appropriate individual at Respondent's institution, as it may be possible to pursue action under that institution's policies.

TRUTHFULNESS AND PARTICIPATION IN THE INVESTIGATORY AND ADJUDICATION PROCESSES

Complainants and Respondents have the right, and are strongly encouraged, to meet with an OUEC investigator to provide relevant information and identify relevant witnesses.

Complainants, Respondents and Witnesses are required to be truthful in any report or proceeding under this Policy and to follow the directions of university staff and administrators. Destroying or concealing evidence, actual or attempted solicitation of knowingly false testimony or providing knowingly false testimony or evidence is prohibited by this Policy. This provision does not apply to reports made or information provided in good faith, even if the facts alleged in the report are not later substantiated.

Notwithstanding this requirement, Complainants and Respondents may choose to participate or not in the investigation, hearing and adjudication, if applicable, of alleged Prohibited Offenses. Those who choose not to participate in an investigation forgo their opportunity to present information and witnesses to be included in the Investigative Report, upon which potential further proceedings will be based.

Student Witnesses and Witnesses from outside the university community are not required to participate but are encouraged to cooperate with the university's investigations and adjudication processes and to share what they know about a Formal Complaint. Witnesses may receive an excused absence from a university obligation (class, work, etc.) to participate in an Administrative Hearing.

Parties and the Decision-Maker may request to invite Witnesses to participate in the Administrative Hearing to the extent credibility is in dispute and relevant to one or more of the allegations or to answer questions that have not previously been posed to the Witness. Parties are required to notify the Decision-Maker of their request to invite a Witness that includes their reason for the invitation at least four (4) business days prior to the Administrative Hearing. If the Decision-Maker determines that a Witness may be present at a hearing, the Decision-Maker will contact the Witness to make them aware that their participation was requested. If the Witness agrees to participate, the Decision-Maker will inform the parties of the names of Witnesses that have agreed to participate two (2) business days before the Administrative Hearing.

While the university reserves the right to proceed with investigation, hearing, adjudication and any resulting disciplinary action in the absence of either party or any Witness, the Decision-Maker cannot draw any inference about the determination regarding responsibility based solely on a Party's or Witness's absence from any investigation, hearing and/or adjudication in a Formal Resolution Procedure.

J. Privacy and Confidentiality

The university will take reasonable steps to protect the privacy of parties and witnesses and will treat their information in accordance with the university's [privacy policy](#) and [Policy on Confidentiality of University Records and Information](#). These steps will not restrict the ability of the parties to obtain and present evidence, including by speaking to witnesses, consult with their family members, confidential resources, or Advisors; or otherwise prepare for or participate in the resolution procedures.

All parties and Advisors are prohibited from unauthorized disclosure of evidence or a summary of evidence obtained by the university through a resolution procedure or adjudication process. All parties and Advisors are required to destroy such documents and information at the direction of the university (except for outcome letters). Disclosing documents outside of the investigation and adjudication processes or publicly disclosing another person's personally identifiable information without authorization or consent may be considered Retaliation. Violation of this section of the Policy is subject to significant sanctions. However, this Policy does not restrict the ability of either party to discuss the allegations under investigation or their participation in procedures under this Policy.

K. Impartiality

No individual materially involved in the administration of a Resolution Process under this Policy, including the Title IX Coordinator, Investigator(s), and Decision-Maker(s), may have a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent. At any time during a Resolution Procedure, the Parties may raise a concern regarding bias or conflict of interest, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another official will be assigned and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with the Senior Vice Chancellor for Student Affairs.

L. Advisors

Complainants and Respondents may choose an Advisor to provide support and guidance through the Formal and Informal Procedures under this Policy, including during interviews, meetings and hearings. The Advisor may be any person, including an attorney, who is not otherwise a party or witness involved in the resolution procedure. Advisors are not required to disclose information about Prohibited Offenses to the Title IX Coordinator without prior consent of the party. For university employees serving as Advisors, this exemption from reporting is only with respect to information received while the employee is functioning as an Advisor.

The Complainant, Respondent and Witnesses may be accompanied by their respective Advisors at any meeting or interview related to a resolution procedure or adjudication of a report under this Policy.

While Advisors may provide support and advice to the parties during the meeting or interview, they may not speak on behalf of the parties or otherwise actively participate in such meetings and/or proceedings, except as permitted in the cross-examination portion of a live hearing.

If a party does not have an Advisor present at the live hearing, the university will provide an Advisor of the university's choice, without fee or charge to that party, to conduct cross-examination on behalf of that party.

An Advisor may not delay or otherwise interfere with or disrupt the investigatory and adjudication process under this Policy. Because the university's process is not the same as a formal, external legal process, the Advisor, although they may be an attorney, does not represent the party in a legal capacity in the university's process. Absent accommodation for a disability, a Complainant, Respondent or Witness may not be accompanied by more than one Advisor or by other individuals during meetings or interviews.

Throughout the Formal Resolution procedure of a Formal Complaint under this Policy, all official university communications (both verbal and written) will be between the university and the parties directly. The two exceptions to this will be (1) at the conclusion of the investigative process when the Investigator shares a Draft Summary of Facts gathered during the investigation with the Complainant, Respondent and their Advisors for their review and response and (2) during the pre-hearing meeting where they review the Investigative Report. The university will not communicate with an Advisor on behalf of a party.

For students, Advisors in the adjudication process are bound by the conditions established for Advisors within the [Code of Student Conduct](#).

M. Standard of Review

The university utilizes a "preponderance of the evidence" standard in the adjudication of Prohibited Offenses. A preponderance of the evidence means the evidence establishes that it is more likely than not that conduct occurred in violation of the Policy.

The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the university.

N. Amnesty for Alcohol, Marijuana and other Drugs

The university seeks to remove any barriers to reporting allegations of Prohibited Offenses. Accordingly, students involved in a Resolution Procedure under the Policy will not be subject to disciplinary sanctions for alleged violations of the Code of Student Conduct related to alcohol or drug use connected to the incident unless the university determines that the report was not made in

good faith or that the violation was egregious. An egregious violation shall include, but not be limited to, taking an action that places the health and safety of another person at risk.

For students in California: If the allegation is sexual assault, domestic violence, dating violence, or stalking, a student will not be subject to disciplinary sanctions for a violation of the Code of Student Conduct at or near the time of the incident, unless the university determines that the violation was egregious, including, but not limited to, an action that places the health or safety of any other person at risk. In addition to the amnesty outlined under this policy, please see the Code of Student Conduct for additional information about Medical Amnesty Policy.

O. Record Retention

Records created and maintained pursuant to this Policy will be retained for a period of seven years by the OUEC.

Records include:

- Reports and Formal Complaints of an alleged Prohibited Offense
- An articulation of the reason for an Emergency Removal, if any, and the result of any challenge
- Investigative Reports for an alleged Prohibited Offense that issues a determination regarding responsibility
- Any audio or audiovisual recording or transcript
- Documentation of any supportive measures taken
- Documentation of any remedies provided to the parties or actions designed to restore or preserve equal access to the university's education program or activity
- Documentation of any Resolution process, including Informal and Formal, the findings and any sanction imposed on Respondent
- Any appeal and the result
- All materials used to train Title IX Coordinators, investigators, Decision-Makers, and any person who facilitates an Informal Resolution Procedure

P. Pregnancy or Related Conditions

Upon notification of a student's pregnancy or related condition, the Title IX Coordinator or designee will contact the student and inform the student of available resources and supports, including this Policy and resolution procedures, the availability of reasonable modifications or accommodations, as necessary, lactation space, and leaves of absence.

Any student seeking Reasonable Modifications must contact the Title IX Coordinator or [Disability Access Services](#) to discuss appropriate and available Reasonable Modifications based on their individual needs. Students are encouraged to request Reasonable Modifications as promptly as possible. Depending on the circumstances, Reasonable Modifications may include:

- Breaks during class to express breast milk, breastfeed, or attend to health needs associated with pregnancy or related conditions, including eating, drinking, or using the restroom

- Intermittent absences to attend medical appointments
- Access to online or homebound education
- Changes in schedule or course sequence
- Time extensions for coursework and rescheduling of tests and examinations
- Allowing a student to sit or stand, or carry or keep water nearby
- Counseling
- Changes in physical space or supplies (for example, access to a larger desk or a footrest)
- Elevator access
- A larger uniform or other required clothing or equipment
- Other changes to policies, practices, or procedures determined by the Title IX Coordinator

The university may require supporting documentation when necessary and reasonable under the circumstances to determine which Reasonable Modifications to offer and to determine other specific actions to take to ensure equal access.

Information about pregnant students' requests for modifications will be shared with faculty and staff only to the extent necessary to provide the Reasonable Modification.

Students are encouraged to work with their faculty members and the university's support systems to devise a plan for how to best address their needs as the pregnancy progresses, anticipate the need for leave, minimize the academic impact of their absence, and get back on track as efficiently and comfortably as possible. The Title IX Coordinator will assist with plan development and implementation as needed.

Information about resources for employees experiencing pregnancy and pregnancy-related conditions is available in the university's [Policy on Pregnancy and Pregnancy-Related Conditions](#).

Q. Training and Education

The university offers ongoing education to students and employees to promote awareness of this Policy and promoting an environment free from sex-based discrimination and Prohibited Offenses. Such education will include definitions of Prohibited Offenses and consent; best practices for risk reduction; safe and positive bystander intervention; reporting procedures and options; and information concerning rights under Title IX and other relevant laws and this Policy.

Additionally, Decision-Makers receive training on this Policy and their responsibilities related to the resolution procedures, as well as applicable laws. Such trainings address, among other things, the impact of trauma on a Complainant's ability to recollect specific facts and events, common examples of predatory behavior associated with Prohibited Offenses, the definition of consent, the impact of alcohol and drugs on consent, and the application of the "preponderance of the evidence" standard.

R. Review of Trends and Effectiveness

To assess the effectiveness of the overall university training, education, and Prohibited Offense response protocols under this Policy, the university will bi-annually survey the campus climate, community attitudes, and awareness of its student population regarding sex discrimination prohibited by this Policy. The Title IX Coordinating Committee will review the results of the annual survey and

make recommendations intended to enhance the effectiveness of the university's training and education programs, prevention efforts, investigations and adjudication proceedings.

S. Statement on Academic Freedom

The university promotes an educational and employment environment that is free of discrimination, harassment, and retaliation. This Policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane, but controversial or sensitive subject matters protected by academic freedom.

The university is committed to academic freedom and supports community members to express themselves, while protecting and respecting the rights of others to learn, conduct research, and carry out the essential functions of the university free from unreasonable interference, disruption or obstruction. When addressing complaints of violations of this Policy, the university will take steps to respond appropriately while respecting the rights of academic freedom in accordance with applicable university policy.

When speech or conduct is protected by academic freedom, university policy and/or the university's Statement on Free Expression, it will not be considered a violation of this Policy, though supportive measures will be offered to those impacted.

Additional Information

Reporting concerns of discrimination, harassment and retaliation falling outside the scope of this Policy: Reports of discrimination based on a Protected Characteristic (race, color, religion, religious creed, genetic information, age, national origin, ancestry, veteran or disability status, and other characteristics protected by law) are addressed by the university's Policy on Equal Opportunity. All reports of alleged discrimination can be reported to the OUEC at <https://www.northeastern.edu/ouec/file-a-complaint/>.

In the event of any conflict or inconsistency between this Policy and other university policies or procedures that may relate to the same subject matter, the Title IX Coordinator will determine which policy provisions apply.

Appendix A: Additional Definitions

Administrative Hearing is the adjudication process for cases where students or employees are the Respondent in a Formal Resolution procedure under this Policy and provides the opportunity for live cross-examination of the parties for cases involving Title IX Prohibited Offenses. The Administrative Hearing is conducted by a single Hearing Officer, who will serve as the Decision-Maker, selected from a pool of University employees and, at the discretion of the Title IX Coordinator, external professionals, who are trained to adjudicate allegations of Prohibited Offenses. If a potential violation is referred by the Title IX Coordinator to an Administrative Hearing, the Decision-Maker will review the Investigative Report and facilitate the hearing to determine whether a preponderance of the evidence establishes that a Policy violation occurred and, if applicable, determine any appropriate sanction(s). Each party has the opportunity to present a written or oral statement to the Decision-Maker and to respond to the Decision-Maker's questions, and during a Title IX Administrative Hearing, have the party's advisor cross-examine the other party and any witness.

Advisors are described in Section III.M of this Policy.

Allegation is a concern reported to the university about conduct that may constitute a Prohibited Offense.

Case Manager refers to the university employee responsible for facilitating access to supportive, remedial and protective resources and measures, as listed in Section III.D of this Policy, for student Complainants and student Respondents.

Charged Student means any student charged by the university with a violation of this Policy. This designation is made at the conclusion of an investigation under this policy if the Title IX Coordinator determines that the Investigative Report contains information that if true, constitutes an allegation of a Prohibited Offense. The Director of the Office of Student Conduct and Conflict Resolution or designee will notify the Charged Student of charges during a pre-hearing meeting.

Coercion means the use of an unreasonable amount of pressure to initiate or continue sexual activity against an individual's will. Coercion is more than an effort to gain consent, or persuade, entice, or attract another person to engage in sexual activity.

A person subject to Coercion is unable to give Consent to sexual activity. Coercive conduct, if sufficiently severe, can render a person's consent ineffective, because it is not voluntary. When someone makes clear that they do not want to engage in sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive. In evaluating whether coercion was used, the university will consider: (1) the frequency of the application of the pressure, including severe and/or pervasive intimidation, manipulation, threats, and blackmail, which causes a person to engage in unwelcome sexual activity,

(2) the intensity of the pressure, (3) the degree of isolation of the person being pressured, and (4) the duration of the pressure.

Complainant means a student or employee of Northeastern who is alleged to have been subjected to conduct that could constitute a Prohibited Offense under Title IX or this Policy; or a person other than a student or employee of Northeastern who is alleged to have been subjected to conduct that could constitute a Prohibited Offense under this Policy and who was participating in or attempting to participate in the university's education program or activity at the time of the conduct.

Confidential Employees are employees whose communications are privileged or confidential under the applicable law and who are not required to disclose information about Prohibited Offenses to the Title IX Coordinator without prior consent of the Reporting Party. The employee's confidential status is only with respect to information received while the employee is functioning within the scope of their duties to which privilege or confidentiality applies. Additional information about Confidential Employees can be found in Section III.C.3 of this Policy.

Confidential Employees include:

- 1) **Privileged Employees** are those with confidentiality bestowed by law, such as medical professionals, and counselors (including employees within the University Health and Counseling Services (UHCS) and Counseling and Psychological Services Office (CAPS));
- 2) **Confidential Resources** are those who the university has specifically designated as confidential for purposes of providing support and resources to the parties of an OUEC Resolution procedure; These employees include:
 - The Office of Prevention and Education at Northeastern (OPEN)
 - Sexual Violence Resource Center (SVRC)
 - Confidential Resource Advising (CRA)
 - Spiritual Advisors through the Center for Spirituality, Dialogue, and Service
 - Athletic trainers
 - Ombuds for Faculty and Staff
 - Ombuds for Graduate Students

Consent means a voluntary, affirmative agreement to engage in sexual activity proposed by another. It requires mutually understandable and communicated words and/or actions that would demonstrate to a reasonable person agreement by both parties to participate in sexual activity.

Silence, a lack of resistance, previous sexual relationships or experiences and/or a current relationship, may not in and of themselves, demonstrate Consent. The initiator, or the person who wants to engage in the specific sexual activity, must obtain Consent from the partner(s) for each sexual act. Each participant may be an initiator at different points of sexual activity. If confusion or ambiguity arises during sexual activity, participants are encouraged to stop and clarify a mutual willingness to continue that activity.

A person's initiation of a sexual act constitutes Consent to that act, but not necessarily to subsequent acts. Consent to sexual activity may be withdrawn at any time and the withdrawal must be communicated in mutually understandable words and/or actions. If consent is withdrawn, sexual activity must cease immediately. Consent may never be given by minors (the relevant age of consent will be determined by the location in which the sexual activity takes place), or those who are unable

to understand the who, what, when, where, why, or how of their sexual activities as a result of incapacitation due to a cognitive disability, intoxication by alcohol or other drug consumption (voluntary or involuntary), or those who are unconscious, or otherwise physically helpless.

Engaging in sexual activity while under the influence of alcohol or drugs may create ambiguity for either party as to whether Consent has been sought or given. A person who has consumed alcohol and/or drugs still has a responsibility to obtain Consent for any sexual activity with another person(s). *Being impaired by alcohol or other drugs is no defense to any violation of this Policy.*

A **Decision-Maker** is a member of a standing pool of trained members of the university community or, at the discretion of the Title IX Coordinator, an external professional, who facilitates the Administrative Hearing Process, oversees the process of cross-examination during Title IX live hearings and makes rulings on relevance and establishes a finding at the conclusion of the Administrative Hearing process.

The Decision-Maker will not be the Title IX Coordinator or the Investigator(s) assigned to investigate the Formal Complaint.

Discrimination means, for the purposes of this Policy, inequitable treatment with respect to an individual's employment or participation in an education program or activity, based in whole or in part, upon the individual's actual or perceived sex, pregnancy or related conditions, sexual orientation, gender expression or gender identity.

Force is the use of physical violence and/or physical imposition to gain sexual access. Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Force is conduct that, if sufficiently severe, can negate consent. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., "Have sex with me or I will hurt you.").

Formal Complaint is an allegation of Prohibited Offenses, filed in good faith and in accordance with this Policy (see Section III.F).

Incapacitation means a state where someone cannot make a rational, reasonable decision because they lack the ability to understand the who, what, when, where, why, or how of their sexual activities.

A person who is incapacitated is unable, temporarily or permanently, to give Consent to sexual activity because of mental or physical helplessness, sleep, unconsciousness, or lack of awareness that sexual activity is taking place. A person may be incapacitated as a result of the consumption of alcohol or other drugs, or due to a temporary or permanent physical or mental health condition.

Incapacitation is a state beyond drunkenness or intoxication. A person is not necessarily incapacitated as a result of drinking alcohol or using drugs. The impact of alcohol, medication, and other drugs varies from person to person. Although every individual may manifest signs of incapacitation differently, signs could include, but are not limited to, some or all of the following:

- confusion or lack of understanding;
- disorientation to place, time and/or location;
- vomiting;
- incontinence; and/or
- Unconsciousness.

A person who is incapacitated may not be able to understand some, or all, of the following questions:

- “Do you know where you are?”
- “Do you know how you got here?”
- “Do you know what is happening?”
- “Do you know whom you are with?”

Incapacitation is determined through consideration of all relevant indicators of a person’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

For purposes of evaluating Consent, the university considers two questions:

- Did the person initiating sexual activity know that their partner was incapacitated? If not,
- Would a reasonable person in the same situation have known that their partner was incapacitated?

If the answer to either of these questions is “yes,” Consent was absent.

Intercourse means vaginal or anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact), no matter how slight the penetration or contact. Vaginal penetration occurs when the penis, other body part, or object touches the vulva or the labia majora, which is the outermost part of the female genital organ.

Investigative Report means the written document produced by the OUEC after completion of the university’s investigation into a report of an alleged Prohibited Offense. The Investigative Report may reference or rely upon facts gathered by prior investigators, including but not limited to the Northeastern University Police Department, local law enforcement or external investigators.

Mandatory University Reporter refers to any university employee (excluding Confidential Employees) who is required to immediately report allegations of Prohibited Offenses to the Title IX Coordinator. Certain student workers who assume roles which other students may reasonably believe obligate that student worker to report allegations of a Prohibited Offense will be considered Mandated University Reporters. This includes but is not limited to Resident Assistants in Residential Life, Graduate Research Assistants or Teaching Assistants.

No Contact Order (NCO) is a university directive available when the university determines the severity of an incident rises to the level where continued contact between the involved community members could lead to further incidents and/or the creation of an unhealthy, unsafe, and/or hostile environment. OSCCR has authority to issue these orders to students while the OUEC has authority to issue them to employees. The terms of an NCO will be communicated via email to the community member’s Northeastern email account.

For purposes of alleged Prohibited Offenses, the university will consider the specific circumstances on a case-by-case basis to determine whether a unilateral or mutual NCO is appropriate. Any NCO issued after a finding of responsibility has been made shall be unilateral and apply only against the party found responsible.

Pattern Offenses: A pattern may exist and be investigated when there is a potential substantial similarity to incidents where the proof of one could make it more likely that the other(s) occurred,

and vice-versa. Patterns may exist based on target selection, similarity of offense, or other factors. Where a pattern is found, it can be the basis to enhance sanctions.

Pregnancy and Related Conditions include pregnancy, childbirth, termination of pregnancy, stillbirth, miscarriage, lactation, and medical conditions related to any of these statuses and/or recovery from any of these statuses (see Section III.Q).

Privacy means the extent to which information related to a report of a Prohibited Offense will be shared. For the purposes of this Policy, information related to a report of a Prohibited Offense will be shared with limited university employees who “need to know” to assist in the assessment, investigation, and resolution of the report.

Relevant means related to the allegations of Prohibited Offenses under investigation as part of the resolution procedures referred to in this Policy. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Offense occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Offense occurred.

Respondent means a person alleged to have committed a Prohibited Offense.

Supportive Measures means individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a Complainant or Respondent, not for punitive or disciplinary reasons, and without fee or charge to the Complainant or Respondent to: (1) Restore or preserve that party’s access to the university’s education program or activity, including measures that are designed to protect the safety of the parties or the university’s educational environment; or (2) Provide support during the university’s resolution procedures or during an informal resolution process. Supportive Measures are addressed further in [Section III.D](#).

Third Party refers to any individual who is not a Northeastern University student, faculty member, or staff member (e.g., vendors, alumni, students at another college or university or local residents).

Title IX is a federal law that prohibits discrimination based on sex in educational institutions that receive federal financial aid.

Title IX Coordinating Committee promotes a coordinated response to alleged incidents of Prohibited Offenses. Accordingly, the Committee serves in an advisory capacity to the Title IX Coordinator with respect to the university’s Title IX compliance efforts. Chaired by the Title IX Coordinator, the Committee consists of representatives from Student Life, and the Northeastern University Police Department, and is advised by the Office of the General Counsel.

Violence, for purposes of this Policy, is defined as intentionally or recklessly causing the Complainant physical, emotional, or psychological harm. Legitimate use of violence for self-defense is not chargeable under this Policy because the purpose is safety, not harm. Consensual use of violence, such as in kink relationships, would also not meet this definition, in most circumstances.

Appendix C: Factors Considered in Determining Whether the Title IX Coordinator Will File a Formal Complaint

In determining whether the Title IX Coordinator will file a Formal Complaint in cases where the Complainant chooses not to do so, the Title IX Coordinating Committee will consider the non-exhaustive factors:

- The Complainant's request not to proceed with initiation of a Formal Complaint;
- The Complainant's reasonable safety concerns regarding initiation of a Formal Complaint;
- The risk that additional acts of Prohibited Offenses would occur if a Formal Complaint is not initiated;

- Whether a hostile environment may exist in a university education program as a result of the alleged Prohibited Offense;
- The severity of the alleged sex discrimination, including whether:
 - o the discrimination, if established, would require the removal of a Respondent from campus or imposition of another disciplinary sanction to end the discrimination and prevent its recurrence;
 - o the Respondent displayed any signs of predatory behavior;
 - o violence or any weapons were used by the Respondent; or
 - o other individuals were involved in the commission of the Prohibited Offense;
- The age and relationship of the parties, including whether the respondent is an employee of the university;
- The scope of the alleged Prohibited Offense, including information suggesting:
 - o a pattern of Prohibited Offenses committed by an individual Respondent or by a specific Respondent group or organization, including whether Respondent has a prior record of Prohibited Offenses;
 - o ongoing Prohibited Offenses;
 - o Prohibited Offenses alleged to have impacted multiple individuals; or
 - o The availability of evidence to assist a Decision-Maker in determining whether a Prohibited Offense occurred;
- Whether the University could end the alleged Prohibited Offense and prevent its recurrence without initiating a Formal or Informal Process; and
- Whether the Respondent presents a continuing threat to the university community.

EDUCATION, TRAINING AND PREVENTION REGARDING DATING VIOLENCE, DOMESTIC VIOLENCE, SEXUAL ASSAULT AND STALKING

The University offers ongoing education to students and employees to promote awareness and prevention of Prohibited Offenses. Such education includes definitions of the Prohibited Offenses and Consent; best practices for risk reduction and safe and positive bystander intervention; information concerning rights under Title IX, and guidance on how to support someone who has experienced harm.

OUEC conducts Title IX investigations, oversees Title IX compliance, and provides training and education to members of the University community regarding sexual harassment, dating violence, domestic violence, sexual assault and stalking. The OUEC office is housed at 125 Richards Hall in Boston, MA and can be reached at 617.373.4644 or ouec@northeastern.edu. Services can be accessed virtually.

OPEN oversees sexual violence prevention and education and provides confidential information and resources to students affected by sexual violence. OPEN can be reached at 617.373.4459 or open@northeastern.edu.

Throughout 2024, OPEN and OUEC provided approximately 385 synchronous programs across the University network of campuses regarding on-going prevention, bystander intervention, and awareness of dating violence, domestic violence, sexual assault and stalking.

STUDENT EDUCATION

Northeastern University is committed to creating and maintaining a community in which students, faculty, and staff can work and study in an atmosphere free from all forms of discrimination, harassment, and sexual violence. Northeastern offers specific education for new and incoming students as part of a larger commitment to sexual violence prevention.

UP2US: FOUNDATIONS ONLINE PROGRAM

Up2Us: Foundations is an interactive, online sexual violence prevention program (<https://up2us-foundations.northeastern.edu/>), which was created by Northeastern University students and staff. This program covers information about consent, healthy sexual communication, and sexual violence prevention and resources. This program is required for incoming graduate and undergraduate students.

OPEN and/or OUEC offer interactive, customized presentations about topics related to sexual violence and healthy relationships. Additionally, OPEN offers a number of online courses around sexual violence prevention and response that can be found here: <https://open.sites.northeastern.edu/prevention-and-education/presentations-and-programming/>.

FACULTY AND STAFF EDUCATION

New faculty members received Title IX training in 2024. In addition, new employees receive Title IX information at their orientation. Staff training is ongoing and includes training on preventing discrimination and harassment with specific information about resources and reporting procedures related to sexual misconduct, discrimination and Title IX. All faculty and Student Affairs staff in Oakland received Mandatory University Reporting training.

OUEC and the OPEN work together to train faculty and staff to respond to disclosures of sexual misconduct. Such trainings ensure that community members understand definitions of Prohibited Offenses and Consent, information concerning rights under Title IX, obligations of Mandatory University Reporters to report allegations to OUEC, as well as how to respond in a way that is trauma sensitive.

SURVEY ON SEXUAL AND GENDER-BASED HARASSMENT

Northeastern is committed to data-informed sexual violence prevention, response and intervention measures. As a part of Northeastern's ongoing prevention work, the University has conducted campus sexual misconduct surveys since 2014. These efforts help to assess the incidence and prevalence of sexual violence on campus, to understand the experiences of survivors and barriers to accessing resources, and to determine needs around sexual violence prevention, response and education for the community going forward. The survey was last administered in the Fall 2023 semester. The results of the survey can be found here: <https://open.sites.northeastern.edu/prevention-and-education/survey-on-sexual-and-gender-based-harassment/>.

RESOURCES AND SUPPORT FOR STUDENTS WHO HAVE EXPERIENCED SEXUAL VIOLENCE

OPEN, in partnership with OUEC, has created the Know Your Options Resource Guides, which offers a brief overview of the rights and resources available to Northeastern students who have experienced sexual violence, including essential information about reporting, confidential support options, medical

treatment and 24/7 services. The Oakland campus guide can be accessed here:
<https://www.flipsnack.com/CF5C7988B7A/know-your-options-sexual-violence/full-view.html>.

OPEN's Sexual Violence Resource Center (SVRC) provides confidential support services to Northeastern students who have experienced any form of sexual violence, dating violence, or stalking.

SVRC staff support students in making whatever choices or next steps feel best for them. This can include:

- Offering students space to discuss their experience(s)
- Providing education about impacts of trauma and relevant coping skills
- Explaining resources and reporting options
- Safety planning
- Facilitating connections to counseling, medical care, legal services, and/or Northeastern resources
- Accompanying students through the University investigation and adjudication process

SVRC staff can meet with students virtually. Students can connect to this service using OPEN's confidential Service Request Form: <http://bit.ly/openservicerequest>.

The SVRC offers additional resources that promote healthy coping and healing for survivors. Students impacted by sexual violence can request grounding kits which contain supplies that can assist with coping with symptoms of trauma. Additionally, the SVRC offers the "Healing Handbook," an online guide offering information, tools, and grounding skills for survivors of sexual violence. The guide can be accessed at <https://bit.ly/healinghandbook>.

Counseling and Psychological Services (CAPS) and the Student Health Center offer confidential medical and mental health support for students affected by sexual violence. As an extension of mental health services at Northeastern, **Find@Northeastern** (<https://uhcs.northeastern.edu/counseling-services/find-at-northeastern/>) offers 24/7 mental health support, unlimited virtual counseling, a Headspace membership, peer to peer support, and screening tools. Through Uwill, full-time students can access unlimited, free, virtual counseling sessions. Students can visit <https://app.uwill.com/> to get started.

The University's We Care and Student Access and Support teams are also available to provide support to students experiencing any challenges that impede their academic progress. We Care and Student Access and Support staff frequently work with students impacted by sexual violence and serve as Case Managers to students who make a report to OUEC.

Additionally, OPEN's Community Consultation services (<https://open.sites.northeastern.edu/supporting-someone-else/community-consultation/>) provide confidential guidance to Northeastern students and employees looking to support students and respond to incidents around sexual violence, dating violence, or stalking. Students, faculty and staff can connect to this service using OPEN's confidential Sexual Violence Service Request Form: <http://bit.ly/openservicerequest>.

RESOURCES FOR RESPONDENTS

OPEN, in partnership with OUEC, has created The Know Your Option Guide for Respondents, which offers a brief overview of the rights and resources available to Northeastern students who have been accused of sexual violence. The guide can be accessed here:

<https://www.flipsnack.com/CF5C7988B7A/know-your-options-respondents/full-view.html>.

OPEN's Confidential Resource Advising (CRA) Services provide confidential, non-judgmental assistance and resource navigation for Northeastern students accused of any form of sexual violence, dating violence, or stalking.

CRA staff can explain University policies and procedures around sexual violence, connect students to on and off campus resource providers, accompany students through the University process, and listen to concerns coming up around the accusation.

CRA staff meet with students virtually, through Microsoft Teams, to serve students across the Global University network. Students can connect to this service using OPEN's confidential Sexual Service Request Form: <http://bit.ly/openservicerequest>.

Sexual Harm Accountability Psychoeducation (SHAPE) Program: OPEN's Sexual Harm Accountability (SHAPE) Program is a confidential, research-informed education program designed for college students who have engaged in and/or been accused of unhealthy or harmful sexual behavior.

Students who enroll in the program learn and build skills for healthy and consensual interactions as an opportunity to improve relationships going forward. The program consists of a series of individual meetings with an OPEN staff member and is tailored to address specific educational needs.

Students can fill out OPEN's request form at <http://bit.ly/openservicerequest> to set up a meeting.

Additional resources for respondents can be found on OPEN's website at:

<https://open.sites.northeastern.edu/accused-students/>.

Resources can also be found in the Know Your Options Guide for Respondents:

SEX OFFENDER REGISTRY AND ACCESS TO RELATED INFORMATION

The federal "Campus Sex Crimes Prevention Act" (P.L. 106-386, Sec. 1601) (the "CSCPA"), enacted on October 28, 2000, became effective on October 28, 2002. This law requires institutions of higher education to advise the members of their campus communities of the location where to obtain information concerning individuals employed by, enrolled in, and/or serving at the institution who are registered sex offenders. Under the provisions of the same law, individuals who are required to register with the appropriate state office as sex offenders must inform the state office in which they are registered whenever they enroll in, become employed by, or undertake a vocation at an institution of higher education. The CSCPA requires the state Sex Offender Registry offices to notify an institution of higher education whenever a sex offender on its registry provides notice they are enrolled in, employed by, or has undertaken a vocation at that institution and to provide information concerning that individual. The CSCPA does not require institutions of higher education to request information from state sex offender registries.

At the University, all publicly available information received from state Sex Offender Registry offices will be maintained by NUPD/DPS. Any member of the public who is at least 18 years of age or older may request sex offender information. The information will be provided to any person who is seeking the information for his/her own protection, for the protection of a child under the age of 18, or for the protection of another person for whom the requesting person has responsibility, care, or custody. Information concerning an individual enrolled in, employed by, or undertaking a vocation at the University who is required to register as a sex offender may be obtained by appearing in person at NUPD and asking to review the registered sex offender log.

For further information concerning the crimes for which convicted offenders must register, or regarding additional access to records of registered sex offenders, contact the California Department of Justice Sex Offender Tracking Program at 916.227.4974 or via the internet at <http://www.meganslaw.ca.gov/>.

PROCEDURES FOR MISSING STUDENTS RESIDING ON CAMPUS

If a member of the University community has reason to believe that a student who resides in on-campus housing is missing, NUPD or DPS should be contacted immediately. An incident report will be generated, and an investigation will be initiated in order to attempt to locate the missing student. NUPD/DPS has a detailed and specific protocol for conducting missing person investigations, utilizing a wide range of electronic resources as well as making personal contact with friends, classmates, co-workers and relatives.

If a member of the University community has reason to believe that a student who resides off the Oakland Campus is missing, OPD should be contacted immediately. An incident report will be generated, and an investigation will be initiated in order to attempt to locate the missing student. OPD has a detailed and specific protocol for conducting missing person investigations, utilizing a wide range of electronic resources as well as making personal contact with friends, classmates, co-workers and relatives. The incident should also be reported to NUPD at 617.373.2121 or DPS at 510.430.5555, who will work in conjunction with OPD.

When registering the name of a person as an emergency contact in the online registration process through the Student Hub, students also have the option to confidentially identify an individual to be contacted by the University in the event the student is determined to be missing for more than 24 hours. Missing person emergency contact information will only be accessible to authorized campus officials, and such information may not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation.

If NUPD and/or DPS determines that a student is missing and has been missing for more than 24 hours, the department will notify OPD, the police department for the jurisdiction of the missing person's home of record, and the contact person the student designated to be contacted in the event the student is determined to be missing. These notifications will be made no later than 24 hours after the student is determined to have been missing for 24 hours, and if the missing student is under the age of 21, a missing person notice will be posted on the national police information network. If the missing student is under the age of 18 and is not an emancipated individual, the University will notify the student's parent or legal guardian, and the student's missing person's contact, if he or she has registered one, immediately after the NUPD and/or DPS has determined that the student has been missing for more than 24 hours.

DRUG, ALCOHOL, AND NO SMOKING POLICIES

Northeastern University strives to maintain a working, living, and learning environment that is free from the negative effects that alcohol and other drug use can create. The University works to provide drug-

free campuses and workplaces for all University employees and students and is committed to enforcing policies and laws relating to alcohol and other drug use.

Northeastern complies with all local, state, and federal regulations pertaining to alcohol and illicit drugs. In addition, the University complies with the regulations of both the Drug Free Workplace Act of 1988 and the Drug Free Schools and Communities Act Amendments of 1989. The unauthorized purchase, manufacture, distribution, possession, sale, storage, or use of alcohol, illegal drugs, or controlled substances while on duty, while in or on premises or property owned or controlled by the University, or while in vehicles used for University business is prohibited for all students, faculty, and staff.

The University has a standard of conduct that prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on University property or as part of University activities. The University's [Code of Student Conduct](#) applies both on and off campus to all Northeastern University students, at all levels of study, in all colleges and programs locally or abroad, on-ground or online, as well as all student groups and organizations.

The [Policy on Drug-Free Workplace](#) applies to all campuses and University-owned or leased property, and to University-sponsored events off campus. It does not apply to the utilization of alcohol and drugs in approved research studies.

As outlined in the [Policy on Tobacco and Smoke-Free Campus](#), the use or possession of any tobacco or smoking-related products is prohibited and Northeastern University, which includes all locations, campuses, buildings and outdoor areas owned and/or operated by the University, consistent with applicable law and University policy.

The University fosters a community that reinforces health choices and encourages responsible decision-making regarding the use of alcohol and other drugs. The University fulfills this philosophy by providing resources related to alcohol and other drug prevention, education, counseling, and referrals for students, faculty, and staff who may experience problems related to substance use.

OPEN provides confidential alcohol, cannabis, and other drug check-in services to students. With support of the Division of Student Life, OPEN facilitates educational programs and events designed to encourage informed decision-making regarding substance use. OPEN and Counseling and Psychological Services (CAPS) provide confidential resources for treatment and referral for students around alcohol and other drug use. Employees may learn more about substance abuse and obtain information about treatment and counseling options available to the Northeastern community through Northeastern's Employee Assistance Program.

PREVENTION, EDUCATION & TREATMENT

The University has developed a comprehensive approach to alcohol abuse prevention and education modeled after the NIAAA's College Alcohol Intervention Matrix ("AIM") recommendations, which strongly support the use of programs with complementary components that include: individual level strategies for at-risk or alcohol-dependent drinkers and environmental strategies that target the campus community and student population as a whole. Specifically, alcohol and other drug education, prevention, intervention and treatment efforts at the University include:

- Assessment, brief intervention and referral services at OPEN

- Programming and campaigns that provide evidence-based education on the risks associated with alcohol and other drug use, encouraging informed decisions
- Alcohol education and skill building sessions during orientation, first year seminars, residence hall programming, fraternity/sorority life presentations, athletics presentations
- Required online alcohol education program for all incoming students (eCHECKUP to GO)
- Customized presentations that combine interaction with normative feedback

The following are prohibited on University premises and at University sponsored events:

Alcohol

1. A person under the age of 21 is prohibited from being in the presence of alcoholic beverages in the residence halls and housing provided and/or arranged by the University, with the following exception: an individual under the age of 21 who has a roommate of legal drinking age may be in the presence of an open container of alcohol in the room only if the roommate of legal drinking age is also present. In addition to the imposition of disciplinary sanctions under University procedures, including suspension or separation from the University for such acts, students and employees may face prosecution and imprisonment under Federal and California laws which make such acts criminal offenses.

OSCCR imposes disciplinary sanctions for student violations of the University's Alcohol or Drug policies. Sanctioning of students in violation of any alcohol or drug related policies may include a combination of active and inactive sanctions.

Active Sanctions: Sanctions that require work on a student's part to complete. These include, but are not limited to, educational sanctions, such as attending classes or writing research or reflection papers, performing mandated service, or paying a monetary fine.

Inactive Sanctions: Sanctions that, by themselves, do not require work on a student's part to complete. These include, but are not limited to, written warnings, disciplinary probation, deferred suspension, suspension, and expulsion, as well as a parent/guardian notification consistent with University policy. These sanctions may put restrictions on students, such as limiting access to campus recreational facilities, residence or dining halls, or the ability to hold student leadership positions.

The laws against the sale of alcohol to minors, procurement of alcohol to minors, and minors in possession of alcohol are enforced either through OSCCR or through the local court. NUPD/DPS forwards all incident reports involving cases of student alcohol or other drug possession, consumption, underage purchase, etc., to OSCCR for adjudication.

Annually, all Resident Directors and Residents Assistants (RAs) are provided training in the University's policy around student alcohol and drug use, and how to enforce the policy among the on-campus resident population. RAs document known incidents of student behavior appearing to be in violation of alcohol and drug use policies and forward those reports to OSCCR for adjudication.

Students are held accountable to the Student Code of Conduct for any conduct in violation of alcohol drugs law and University policy, whether on- or off-campus, to the extent such conduct is brought to the attention of the University.

OTHER PROGRAMMING

Alcohol-free events and activities are created and promoted on a consistent and ongoing basis through efforts of the Center for Student Involvement. The campus offers a student center, recreation center, and alcohol-free venues, all with expanded hours.

An incident involving both an arrest and a referral for discipline is counted only as an arrest.

Rape (Definition Under California Penal Code §261): (a) Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator, under any of the following circumstances: 1) Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1(commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent; 2) Where it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another; 3) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused; 4) Where a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph "unconscious of the nature of the act" means incapable of resisting because the victim meets any one of the following conditions: (A) Was unconscious or asleep; (B) Was not aware, knowing, perceiving, or cognizant that the act occurred; (C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact; (D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose. 5) Where a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense, or concealment practiced by the accused, with intent to induce the belief; 6) Where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death; 7) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, "public official" means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official. As used in this section, "duress" means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress. As used in this section, "menace" means any threat, declaration, or act which shows an intention to inflict an injury upon another.

Rape (Definition Under California Penal Code §262): (a) Rape of a person who is the spouse of the perpetrator is an act of sexual intercourse accomplished under any of the following circumstances: 1) Where it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another. 2) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known, by the accused. 3) Where a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets one of the following conditions: a) Was unconscious or asleep. b) Was not aware, knowing, perceiving, or cognizant that the act occurred. c) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact. 4) Where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death. 5) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, "public official" means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official. b) As used in this section, "duress" means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress. (c) As used in this section, "menace" means any threat, declaration, or act that shows an intention to inflict an injury upon another.

Sexual Battery (Definition Under California Penal Code §243.4): (a) Any person who touches an intimate part of another person while that person is unlawfully restrained by the accused or an accomplice, and if the touching is against the will of the person touched and is for the purpose of sexual arousal, sexual gratification, or sexual abuse, is guilty of sexual battery. Sodomy (Definition Under California Penal Code §286): (a) Sodomy is sexual conduct consisting of contact between the penis of one person and the anus of another person. Any sexual penetration, however slight, is sufficient to complete the crime of sodomy.

Oral Copulation (Definition Under California Penal Code §288(a)): Except as provided in subdivision (i), any person who willfully and lewdly commits any lewd or lascivious act, including any of the acts constituting other crimes provided for in Part 1, upon or with the body, or any part or member thereof, of a child who is under the age of 14 years, with the intent of arousing, appealing to, or gratifying the lust, passions, or sexual desires of that person or the child, is guilty of a felony and shall be punished by imprisonment in the state prison for three, six, or eight years.

Statutory Rape (Definition Under California Penal Code §261.5): (a) Unlawful sexual intercourse is an act of sexual intercourse accomplished with a person who is not the spouse of the perpetrator, if the person is a minor. For the purposes of this section, a "minor" is a person under the age of 18 years and an "adult" is a person who is at least 18 years of age. (b) Any person who engages in an act of unlawful sexual intercourse with a minor who is not more than three years older or three years younger than the perpetrator, is guilty of a misdemeanor. (c) Any person who engages in an

act of unlawful sexual intercourse with a minor who is more than three years younger than the perpetrator is guilty of either a misdemeanor or a felony, and shall be punished by imprisonment in a county jail not exceeding one year, or by imprisonment pursuant to subdivision (h) of Section 1170. (d) Any person 21 years of age or older who engages in an act of unlawful sexual intercourse with a minor who is under 16 years of age is guilty of either a misdemeanor or a felony, and shall be punished by imprisonment in a county jail not exceeding one year, or by imprisonment pursuant to subdivision (h) of Section 1170 for two, three, or four years. (e) (1) Notwithstanding any other provision of this section, an adult who engages in an act of sexual intercourse with a minor in violation of this section may be liable for civil penalties in the following amounts: (A) An adult who engages in an act of unlawful sexual intercourse with a minor less than two years younger than the adult is liable for a civil penalty not to exceed two thousand dollars (\$2,000). (B) An adult who engages in an act of unlawful sexual intercourse with a minor at least two years younger than the adult is liable for a civil penalty not to exceed five thousand dollars (\$5,000). (C) An adult who engages in an act of unlawful sexual intercourse with a minor at least three years younger than the adult is liable for a civil penalty not to exceed ten thousand dollars (\$10,000). (D) An adult over the age of 21 years who engages in an act of unlawful sexual intercourse with a minor under 16 years of age is liable for a civil penalty not to exceed twenty-five thousand dollars (\$25,000). (2) The district attorney may bring actions to recover civil penalties pursuant to this subdivision. From the amounts collected for each case, an amount equal to the costs of pursuing the action shall be deposited with the treasurer of the county in which the judgment was entered, and the remainder shall be deposited in the Underage Pregnancy Prevention Fund, which is hereby created in the State Treasury. Amounts deposited in the Underage Pregnancy Prevention Fund may be used only for the purpose of preventing underage pregnancy upon appropriation by the Legislature. (3) In addition to any punishment imposed under this section, the judge may assess a fine not to exceed seventy dollars (\$70) against any person who violates this section with the proceeds of this fine to be used in accordance with Section 1463.23. The court shall, however, take into consideration the defendant's ability to pay, and no defendant shall be denied probation because of his or her inability to pay the fine permitted under this subdivision. (f) A person convicted of violating subdivision (d) who is granted probation shall not complete their community service at a school or location where children congregate.

Stalking

Stalking (Definition Under California Penal Code §646.9): (a) Any person who willfully, maliciously, and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family is guilty of the crime of stalking, punishable by imprisonment in a county jail for not more than one year, or by a fine of not more than one thousand dollars (\$1,000), or by both that fine and imprisonment, or by imprisonment in the state prison.

Consent

Consent (California Penal Code §261.6): In prosecutions under Section 261, 262, 286, 287, or 289, or former Section 288a, in which consent is at issue, "consent" shall be defined to mean positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved. A current or previous dating or marital relationship shall not be sufficient to constitute consent. Consent is informed. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. Consent is voluntary. It must be given without coercion, force, threats, or intimidation. Consent means positive cooperation in the act or expression of intent to engage in the act pursuant to an exercise of free will.

RULES FOR CALCULATING STATISTICS DISCLOSED IN THE ANNUAL SECURITY REPORT

The Clery Act groups crimes into the following categories in descending order of severity: Part I Crimes (felonies); Part II Crimes (arrests and referrals for discipline for violations of weapons, drug, and liquor laws); Part III Crimes (hate crimes); and Part IV Crimes (crimes added to the scope of the Clery Act pursuant to the Violence Against Women Reauthorization Act of 2013 (“VAWA”). Offense groupings must be reported in separate statistics grids (with the exception of hate crime statistics, which may be published in narrative format).

The Clery Act’s “hierarchy rule” applies to calculation of statistics concerning incidents in which multiple offenses are reported to have occurred within a single event. The rule requires that institutions count only the most serious offense where more than one Clery Act offense has occurred, subject to certain exceptions described below.

PART I CRIMES (FELONY OFFENSES)

The Clery Act requires disclosure of statistics concerning the reported occurrence of any of the crimes listed below in order of severity.

1. Criminal Homicide:
 - a. Murder and Non-Negligent Manslaughter
 - b. Manslaughter by Negligence
2. Sex Offenses:
 - a. Rape
 - b. Fondling
 - c. Incest
 - d. Statutory Rape
3. Robbery
4. Aggravated Assault
5. Burglary
6. Motor Vehicle Theft
7. Arson

PART II CRIMES (ARRESTS/REFERRALS FOR WEAPONS, DRUG, AND LIQUOR OFFENSES)

1. Weapons Law Arrests
2. Drug Law Arrests
3. Liquor Law Arrests
4. Weapons Law Referral for Discipline
5. Drug Law Referral for Discipline
6. Liquor Law Referral for Discipline

PART III CRIMES (HATE CRIMES)

Under the Clery Act, a “hate crime” is a criminal offense committed against a person or property, which is motivated (in whole or in part), by the offender’s bias. For Clery purposes, “hate crimes” include any Clery Act felony/primary crime under Part I to the extent such crimes manifest evidence of bias. “Hate crimes” also include four additional misdemeanor offenses.

Part I Felonies Subject to Hate Crime Counting Requirements

1. Criminal homicide:
 - a. Murder and Non-Negligent Manslaughter
 - b. Manslaughter by Negligence
2. Sex Offenses:
 - a. Rape
 - b. Fondling
 - c. Incest
 - d. Statutory Rape
3. Robbery
4. Aggravated Assault
5. Burglary
6. Motor Vehicle Theft
7. Arson

Additional Misdemeanor Offenses Subject to Hate Crime Counting Requirements

1. Larceny – theft
2. Simple assault
3. Intimidation
4. Destruction, damage or vandalism of property

PART IV CRIMES (VAWA OFFENSES)

1. Domestic Violence
2. Dating Violence
3. Stalking

CALCULATING STATISTICS SUBJECT TO THE HIERARCHY RULE

Some single incidents involve multiple Clery Act offenses, and often, a determination of which offense to disclose in the ASR’s statistics grids is made simply based on where the offense lies in the hierarchy. For example, if a student under the legal drinking age is arrested on campus while in possession of a stolen motor vehicle and an alcoholic beverage, the institution is required to disclose only the motor vehicle theft because it is the more serious crime according to the hierarchy rule. However, in some instances involving multiple offenses, the hierarchy rule will not apply. Some counting requirements and examples are provided below to provide context for statistics in the ASR’s statistics grids.

- Crimes that occur in on-campus residence halls are counted twice – once in the general ‘on-campus’ category, and once in the ‘residence hall’ category.
- Arson is always counted, regardless of whether it is more or less severe than any other Clery Act offense in the same incident. (For example, if someone commits Arson during a Burglary, then the institution must record a statistic in both the Arson and Burglary categories, thus appearing to reflect two separate incidents, but really only documenting one event.)
- Murder/Non-Negligent Manslaughter and Manslaughter by Negligence statistics are calculated based on the number of victims in a single incident. (For example, if two people are murdered in the same incident at the same time or die due to the gross negligence of another person, then the institution must record two statistics in the murder category – one statistic for each victim.)
- Any incident involving both a Murder/Non-Negligent Manslaughter and either a Robbery, Burglary, Aggravated Assault, or Motor Vehicle Theft must be recorded as one statistic in the Murder/Non-Negligent Manslaughter category. (Robbery, Burglary, Aggravated Assault, and Motor Vehicle Theft are subsumed within the Murder/Non-Negligent Manslaughter category. However, Arson, Sexual Assault, Hate Crimes, and Part IV VAWA crimes are not subsumed by any other category and therefore must be reported in addition to another Clery offense involved in the same incident.)
- Sex Offenses (Rape, Fondling, Incest, and Statutory Rape) are always counted, even where they also involve a Murder or Non-Negligent Manslaughter.
- Crimes less severe than Sex Offenses (Rape, Fondling, Incest, and Statutory Rape) are not counted unless the less severe crime is one of Dating Violence, Domestic Violence, or Stalking, or unless it is a Hate crime Misdemeanor (Larceny – theft; Simple assault; Intimidation; or Destruction, damage or vandalism of property).
- Robbery statistics are calculated by incident (or in other words, by distinct operation), not by the number of victims involved in a single incident. (For example, if one offender robs three individuals at gunpoint at the same time and while in the same place, the institution must record one statistic in the Robbery category.)
- Aggravated Assault statistics are calculated based on the number of victims involved in a single incident. (For example, if two people are assaulted with a weapon during the same incident, then the institution must record two statistics in the Non-Negligent Manslaughter category – one statistic for each victim.)
- Burglary statistics generally are calculated by incident (or in other words, by distinct operation), not by the number of victims involved in a single incident. (For example, if one offender breaks into a structure and steals two laptops belonging to two different people who reside in the same apartment, then the institution must record one statistic in the Burglary category.)

- There are special rules for the counting of Burglaries: Various rooms within an academic building are considered to be under the control of a single entity. Therefore, the Burglary of a single academic building is counted as one offense, regardless of the number of offices or other spaces from which items may have been stolen, unless the various rooms were burglarized within different time frames. In that case, each Burglary separated by time would be recorded as separate statistic in the Burglary category.
- Part I Felony Crimes committed on the basis of a prohibited bias (i.e., “hate”) are always counted twice – once in the Part I Felony Crime grid, and once separately in the Hate Crimes grid/narrative. In the event a single incident involves multiple Part I offenses based on bias, the hierarchy rule does not apply to disclosure of statistics in the hate crimes grid/narrative, and all Part I offenses must be reported separately. (For example, if an incident involves both an Aggravated Assault and Motor Vehicle Theft based on bias, the institution must record statistics in both the Aggravated Assault and Motor Vehicle Theft categories in the Hate Crimes grid/narrative. However, only the Aggravated Assault would be disclosed in the Part I grid based on the hierarchy rule.)
- The four Part III misdemeanor Hate Crimes (Larceny – theft; Simple Assault; Intimidation; or Destruction, damage or vandalism of property) are only reported in the Hate Crime grid/narrative.
- Part IV VAWA crimes (Domestic Violence, Dating Violence, and Stalking) are reported in a separate grid. If any Part I felony incident also involves a Part IV VAWA incident, then both incidents are reported – the Felony Crime is reported in the Part I grid, and the VAWA crime is reported in the Part IV grid.
- In the event a Part IV VAWA offense might be classified as both “Domestic Violence” and “Dating Violence”, the incident is reported as one of “Domestic violence.”
- In the event a Part IV VAWA offense involves stalking together with Domestic or Dating Violence, both the Stalking and Domestic/Dating Violence are reported separately. One statistic must be recorded in the Stalking category, and one statistic must be recorded separately in the Domestic/Dating Violence category.
- Where an incident involves both an arrest and a referral for discipline for a Weapon, Liquor or Drug Law Violation, only the arrest is recorded.
- Where an arrest or referral for discipline is made in response to a Part II incident involving more than one offense (for example, unlawful possession of drugs *and* liquor), only one statistic is recorded. In the event of such a Part II offense, the decision how to report should be made by a sworn law enforcement officer. For purposes of this report, in the event of such an incident, statistics will be recorded according to the following order: (1) Weapons, (2) Drugs, and (3) Alcohol, unless circumstances suggest alternative reporting is more appropriate. (For example, if a student arrested for serving a large volume of liquor to underage students one night, and at the time of the arrest police discover a very small amount of marijuana on the student’s person, then the incident is reported as one statistic reflecting an arrest for violation of liquor laws because the relative severity of the liquor offense outweighs that of the drug offense.)

- **Stalking** is counted uniquely under VAWA.
 - When recording a Stalking report, an institution is required to record a crime statistic only once for the calendar year in which the course of conduct was reported to a local police agency or campus security authority.
 - If the course of conduct involves the same parties and continues in a subsequent year, then the Stalking must also be recorded for the subsequent year as well.
 - An institution must record each report of Stalking as occurring at only the first location within the institution's Clery geography in which the perpetrator engages in the Stalking or a victim first becomes aware of the Stalking. Therefore, a report of Stalking must be reported in an institution's ASR if it meets the definition of Stalking even though the Stalking course of conduct does not occur on the institution's campus or in or on any of its other Clery geography.

UNFOUNDED CRIMES

A crime is considered unfounded for Clery Act purposes only when law enforcement personnel make a formal determination that the report is false or baseless. Crime reports can be properly determined to be false only if the evidence from a complete and thorough investigation establishes that the crime reported was not, in fact, completed or attempted in any manner. Crime reports can be determined to be baseless only if the allegations reported did not meet the elements of the offense or were improperly classified as crimes in the first place.

FIRE SAFETY IN ON-CAMPUS RESIDENCE HALLS

Oakland Facilities Services manages the regular inspection, testing and maintenance of University premises (including University residential facilities) to ensure compliance with applicable fire and life safety codes and standards. These services are conducted by a contracted company. Oakland Facilities, Oakland Residential Life, and DPS work together to conduct egress drills for residential buildings. Educational and training programs are being developed for students, staff and faculty.

FIRE ALARM AND SUPPRESSION SYSTEMS

All University residence halls are equipped with both automatic and manually operated fire alarm notification devices that meet state and local building and fire safety codes. The fire alarm systems in all University residential facilities consist of horns and strobe lights alerting residents to an alarm, and are also remotely monitored by ALL-Guard, the University's contracted alarm monitoring company.

All fire alarm systems contain emergency batteries for operation during a power outage, and most facilities also have emergency generators designed to automatically activate whenever there is a power outage. These back-up batteries and generators will operate life safety systems, including fire safety equipment and emergency exit lighting.

Some University residence halls are also equipped with fire-rated smoke/fire doors designed to impede the spread of smoke and fire. Oakland Facilities Service staff and Fire Life Safety Contractors conduct regular inspections. During those inspections, they report fire hazards in University housing and facilitate prompt resolution. Upon receipt of a fire alarm, Oakland DPS is immediately dispatched to assess the alarm, and will contact the Oakland Fire Department if any smoke or fire is observed.

University housing consists of a variety of configurations, including traditional residential-style buildings, and apartment style and suite style facilities. Each facility is equipped with the fire and life safety systems required by the building codes.

Fire safety equipment is reviewed regularly to identify locations where enhancements, such as sprinkler installation and smoke detection systems, beyond those required by building codes are appropriate. Enhancements are integrated into the university's annual facilities maintenance project plan.

POLICIES ON RULES FOR ELECTRICAL APPLICATIONS, SMOKING, AND OPEN FLAMES

Only a limited number of appliances approved by Underwriters Laboratories are permitted within the Residential Life system, and smoking of any substance is not permitted inside any University building. Open flame containers or items are prohibited. Prohibited personal items include: plastic milk crates and stackable storage containers, non-metal waste baskets, candles, incense, halogen lamps, halogen bulbs, sun lamps, immersion heaters, space heaters, electric percolators, electric frying pans, hot plates, E-scooters and bikes, and student owned air conditioners unless approved as an accommodation.

Certain additional cooking appliances are prohibited in traditional residential-style rooms, such as microwave ovens, toaster ovens, coffee makers, and George Foreman grills, but are permitted in the apartment style facilities. Residents are reminded to use extension cords only if they bear the UL label. Never run cords under rugs or across doorways and use cords appropriately designed for the electrical load. For a detailed list of approved appliances for each facility and policy statements please refer to *A Guide to Residence Hall Living*.

FIRE SAFETY TRAININGS AND EVACUATION PLANS FOR HOUSING AND RESIDENTIAL LIFE STAFF AND RESIDENTS

OEM, in coordination with Oakland Facilities and Oakland Residential Life, regularly reviews evacuation plans for all University residence halls and evacuation plans are posted in each residential community. Procedures for student housing evacuation are as follows and are to be followed by all students and employees within residence halls, and dining halls that are directly attached to residence halls:

- At the sound of the alarm, move quickly and quietly to your closest exit, including the alarmed emergency exits. Close doors behind you as you leave.
- In an orderly fashion, follow the direction of your hall staff, DPS, or City of Oakland Fire Department and wait for further instructions.
- If possible, wear a coat and shoes and carry a towel to use in case of smoke. If possible, take your Husky Card with you.
- If you are away from your room when the alarm sounds, proceed to the nearest exit without returning to your room.

The alarm signal is the same for a drill as for an actual emergency.

Fire egress drills are scheduled at least once each semester for all University residential facilities and are guided by DPS staff and Housing and Residential Life staff. Drills are conducted so all residents and employees can practice the evacuation procedure on campus. Drills include being shown the proper exits in the building and where to safely assemble once outside the building. Residents and employees are also trained through the fire egress drills and through residential hall meetings where the fire extinguishers are located within each building. Residents and employees in University housing, and dining facilities that are attached to residence halls, are also routinely provided with a variety of fire safety information and fire safety principles.

FIRE LOG

DPS will respond to fire alarms activated upon notification by ALL-Guard monitoring service, and/or to reports of the presence or smell of smoke to investigate. In the case of an actual fire, an incident report is generated, and a record of the fire is maintained. A record of all fires in University residence hall facilities reported to DPS are included in the public fire log maintained by DPS, which is available for public viewing at DPS headquarters at CPM during normal business hours.

REPORTING FIRES

Anyone who observes a fire in a residence hall must dial 911 immediately and activate the fire alarm, if the fire alarm is not already sounding, by operating the nearest manual pull station. Pull stations are typically located near exits. Upon hearing a fire alarm all occupants should immediately evacuate the building by stairs and exits. Federal law and Housing and Residential Life policy require staff members who discover evidence of a fire that was extinguished before a fire alarm was activated to report their observations to Oakland DPS (510.430.5555) or NUPD (617.373.2121). Such reports will also result in an investigation and an entry in the public log.

PLANS FOR FUTURE IMPROVEMENT

As funding becomes available, the University plans to install full sprinkler systems and new FACP ends. During the three-year reporting period covered by this report, the following fires were reported in University residence halls.
